NOTICE OF TAKING UP ESTRAY CATTLE

Notice is hereby given that on or about October 1, 1919, I took up the following described cattle and that the same will be sold at public auction at my place on the Jim Hayes ranch, 12 miles South of Heppner, at 2:00 o'clock P. M. on Saturday, April 3, 1920, unless redeemed on or before that date by their owner or owners or their representatives.

A band of youngsters with a pack of mongrels ran a rabbit into a log on a local reserve the other day. An argument ensued as to what was to be done with the rabbit. The genius of the party reasoned thus: "Let 'im go. The more rabbits the more fun for us." That settled it and the rabbit was spared.—Freeman's Journal.

A GOOD MOTTO

The motto adopted by the Heppner Catholic Monthly, which is ably edited by Rev. Father Cantrell, "Co-operation, to do Good for the Parish and the Community," is one which might be adopted by every individual business firm and religious or fraternal organization in town with profit to Heppner and Morrow county.

Hardman Union High School district has called for bids for a new school building.

McAtee & Alken are having a fine new front put in their place of business adjoining the new Elks building.

John C. Deberry was in from Lena Saturday reporting that the sheep are doing well. His band of 1200 ewes are now lambing and making better than a 100 per cent showing.

Work is progressing rapidly on the water pipe line ditch above town. Already more than 5000 feet, or about one and one-quarter miles has been completed. The ditch is 2 feet 10 inches deep giving a two foot cover to the pipe when it is laid.

N. E. (Pat) Crow is here from Portland representing the Associated Engineering Corporation who are manufacturing the Radio Pipeless Furnace for heating all classes of buildings. An announcement on another page of this paper will tell you considerable about this furnace. Mr. Crow will place several furnaces in Heppner and will then go to Portland to take the position of general sales manager for the corporation for the entire northwest.

Never Drink Water.

A large number of the smaller kinds of desert mammals never drink water. They live and thrive on dry seeds and scraps of vegetation in places where the heat and aridity are excessive without even touching their lips to water, and it has been found impossible to teach some of them to take water in captivity. Apparently they never miss thirst or the delight of quenching it.

WHIRLWIND DRIVE TO SELL CO. FAIR STOCK (Continued from Page 1)

shape before the soil dries out. Otherwise, the cost of grading and properly rolling the track to put in fit condition for September racing would be enormous.

A letter from A. H. Lea, secretary of the Oregon State Fair association was read regarding the proposed organization and particularly regarding the matter of entering the North Pacific Racing association. Mr. Lea stated that the week of September 12 to 18 is still open for Heppner in the racing association's program and it was agreed that these dates be accepted.

Mr. Lea further stated that by taking those dates, which are just one week ahead of the state fair, that he can guarantee the attendance at Heppner of practically all of the racing stock that will be at the state fair as well as a large amount of the show stock and other general exhibits. This would insure Heppner a racing program that has perhaps never been approached in Eastern Oregon and would attract big crowds from within a radius of 100 miles or more.

Those present at the meeting Saturday evening were

A. Henriksen, chairman; Cecil; Fred Ely, Morgan; Ed Reisman, Wells Springs; M. D. Clark, John Wightman, Heppner; M. E. Signs, Boardman; Ed Rugg, Rhea Creek; A. J. Merrill, Hardman; Charlie Sperry, Ione, started to the meeting but had car trouble and sent his regrets.

The following gentlemen who were recommended as directors of the fair association at a previous meeting were designated to have charge of the stock subscription drive in their various localities:

Gooseberry, Frank Young; Rhea creek, Ed Rugg; Elgatville, Oscar Keithley; Liberty, Theodore Anderson; Hardman, Fred Ashbaugh; Parkers Mill, Tilden Williams; Lena, Percy Hughes, J. H. Hayes; Pine City, Chas. Bartholomew; Alpine, C. Melville; Wells Springs, Ed Reisman; Heppner, John Wightman, Matt T. Hughes, W. W. Smead, Jeff Jones, M. D. Clark; Lexington, W. G. Scott, Joe Devine; Ione, Chas. Irwin, Chas. Sperry, Morgan, Fred Ely; Cecil, A. Henriksen, Jack Hynd; Social Ridge, Roy Campbell; Boardman, Chas. Dilabaugh, W. O. King; Blackhorse, E. M. Hadden; Irrigon, C. E. Glasgow, Hugh Grinn.
