## BOARDMAN NEWS

The school board voted last night to apply for the establishment of Smith-Hughes agriculture as a part of the high school course of the Boardman schools. C. C. Johnson, instructor in the State College at Pullman, has been offered the posi-

tion. Other outside teachers elected to fill vacancies were Naomi Runner and Blanche Scharman, both of Falls City. All the positions are now filled except Home Economics. A minimum salary of \$1200 is in force for next year. This is in accord with the general sentiment of Morrow and Umatilla counties.

The next meeting of the Boardman Parent Teachers' association will be

held in the auditorium Friday afternoon, April 2, at 2:00 P. M. It is desired at that time to complete arrangements for the establishment of the Hot Lunch, to appoint a committee of three to cooperate with the board and the principal in the formal dedication exercises, and to discuss the educational millage tax bills to be voted on in May. Every one should register and be prepared to vote.

## AUCTION! AUCTION! AUCTION!

In accordance with the vote of the electors present at the special school meeting held at the school house on the thirteenth day of March, the board of directors hereby calls an auction sale for the purpose of selling the school buildings at Castle Rock, including school house, woodshed and outhouse. The sale will be to the highest bidder, but no bids un-

der one hundred and fifty dollars will be considered.

The above sale is called for Saturday, April 10, at 2:00 o'clock in the afternoon from the front steps of the Boardman public school.

By order of the directors,  
EUGENE CUMINS, Chairman,  
J. R. JOHNSON,  
W. O. KING,  
MARGARET CRAMER, Clerk.

# "My Home"

He's pretty proud, that friend of yours, as he shows you through his new home and about the grounds, isn't he?

He takes you through every room and shows you each corner and nook and cranny. Asks if that cozy den of his isn't a "dandy" and if the wife's sewing room isn't "pretty fine." Shows you the kiddies' playroom and tells you its "the best thing in the world to keep the youngsters off the streets."

He explains that the entire house was built EXACTLY as he and his wife had planned it—that the designing and decorating were done according to their own tastes and the rooms laid out to meet their own wishes and requirements.

He takes you about the grounds and shows you the fenced-in yard where the little ones can play to their heart's content. He tells you to sniff the roses in his wife's little flower garden and proudly exhibits a few feet of garden plot where he has planted some of their favorite vegetables. He's pretty happy, isn't he? And his voice just rings with the pride of ownership as he smiles on it all and says, "My Home!" And then you realize as never before what the poet meant when he wrote the words, "Home, Sweet Home."

And as you turn to go back to your rented house you're a little envious of your friend, aren't you, and just a bit ashamed of your own inactivity?

There is no reason in all the world why YOU can't have a home of your own—a home built as you've always dreamed a home SHOULD be—a home you've planned and designed and decorated—which is exactly in accordance with the wishes and needs of your family.

Do you know that it does not cost any more to build than to rent? Practically the same amount of money you pay out each month for rent—or even less—will build you a home and entirely pay for it. Where is the sense in paying for the privilege of living in a home when you could just as easily OWN that home?

Build now! Nothing is to be gained by waiting. Authorities concede that building costs today are somewhat above normal, but they also state that costs cannot be lower until some future time as yet unforeseen. As against this, rents are higher today than ever before, so you are actually LOSING MONEY every day you delay.

For any information you may desire on any subject pertaining to locations, plans, materials, finishings, furnishings, equipments, costs, information concerning architects, contractors, etc.,—call at the Building Information Office. Not a thing to sell but a GREAT DEAL TO GIVE AWAY!
