When you learn about the Real Tobacco Chew. A small chew of rich tobacco lasts so much longer than the old kind. You don't need a fresh chew so often. That's why it costs less to use.

Any man who uses the Real Tobacco Chew will tell you that.

TO THE PEOPLE OF OREGON

It has been called to my attention that the Salvation Army contemplates setting aside the period from May 1 to May 10, inclusive, for its Home Service Campaign, at which time it

will seek to secure funds from the people of the state for the purpose of advancing its home service work. The Salvation Army has outlined a very comprehensive home service program for 1920. We are all familiar with the magnificent services which the Salvation Army gave during the late war. In a general way we are familiar with the work which that splendid organization is doing at home among the downfallen and the needy. The concrete results of this great work are not so well known to our people as the Army in thousands of cases extends its helping hand quietly and without ostentation. The

Salvation Army has entered a field which no other organization touches, with untold results for good. I am certain the people of Oregon who have always responded liberally to worthy causes, will not be lax in this respect. I can conceive of no more worthy cause than genuine wholehearted and well planned organization to give assistance where assistance is actually needed.  
Very sincerely yours,  
(Signed) BEN W. OLCOTT,  
Governor.
