The Moral Risk

When the time comes to cash credit a bank will want to know what you ARE as well as what you HAVE. That's where the moral hazard comes in.

And you can't establish credit over night. Rather, it is a matter of becoming KNOWN at your bank, of establishing confidence by the way in which you have kept your account, regardless of the amount you have to your credit.

Get acquainted - that's the first thing. Then develop this acquaintance into friendship. It will stand you in splendid stead when the time comes. Remembering this that this book, when you have a complete banking service.

"Half-Mast High." Everyone knows when he sees a flag flown at half-mast that it is a sign of mourning, but few have any idea how the custom originated. It arises from the old naval rule that the sign of submission was the lowering of the flag by the vanquished.

Cutting Glass Circles. It is possible to break out circles of glass, such as lenses for headlights, by making a number of straight cuts from the edge of the glass and breaking these sections out one at a time. Be careful not to cut inside the line of the circle to be cut.
