NUMBER 4

WOOD AND JOHNSON RUN CLOSE RACE IN COUNTY

MORROW PUTS EVERY MEASURE OVER STRONG

Road Bond Limit, Educational Bills Receive a Heavy Majority Here

WOOD AND JOHNSON CLOSE IN STATE

While Multnomah county gave Johnson a heavy lead over Wood in early count returns from outside counties show that Wood has been gaining steadily with chance for overcoming the Californian's strength. Latest reports here showed Johnson's lead cut to 510 votes.

In common with other counties in Oregon Morrow voters refused to get much excited over the primaries last Friday and a rather light vote was cast.

Interest centered in the primary choice for president on the republican ballot the contest being conceded in advance to lie between Leonard Wood and Hiram Johnson. This was in the vernacular of the turf a "pretty race" in this county, in which Candidate Wood win only by a nose over the Californian the exact figures being 251 to 253 in favor of the military man.

Herbert Hoover was third in the running with 98 votes to his credit at quitting time while Frank O. Lowden came in fourth with 67 tallies and Miles Poindexter, whisper it gently, trailed in with a scant 29 scalps angling from his belt.

Rhea Luper, a native son of Morrow county, who was a candidate for public service commissioner against H. H. Corey, present incumbent, received a splendid vote piling up an even 500 votes to 140 received by Mr. Corey.

Judge R. R. Butler, of The Dalles, who was a candidate for delegate at large to the republican national convention, also received a splendid vote 273 voters recording themselves in his favor.

Morrow county voters went on record as being strongly in favor of all legislative measures the 4 per cent road bond limit measure and all educational measures being particular favorites.

On the county ticket there was no contest for any nomination on the republican ticket and Charles Sperry, of Ione, candidate for the nomination for sheriff on the democratic ticket, led his ticket by some 400 miles. He was the only democratic aspirant for a county office.

With 15 candidates in the field from which four were to be selected (Continued on page 4)

BACCALAUREATE SERMON

The Christian church was well filled with an appreciative congregation last Sunday evening to listen to the baccalaureate sermon delivered by Mrs. Livingston, minister of the church, to the graduates of the Heppner high school.

The church was artistically decorated with lilac blossoms and a splendid musical program rendered by a selected choir with Mrs. Darbee as soloist, added much to the interest of the occasion.

Mrs. Livingston's address was a splendid effort. The lady is a forceful and earnest speaker and her address was well suited to the occasion. Without oratorical flights or fanciful word pictures, Mrs. Livingston held the undivided attention of the class members and the entire audience during the delivery of her helpful address. While her address savored less of the regular sermon than of the friendly, kindly talk to the youthful graduates, yet she brought home the vital necessity of the young man or young woman starting life on a solid foundation of morality and religion.

MORROW WILL RANK SECOND IN WEALTH

"Morrow county, next to Multnomah, is destined to be the wealthiest county in the state," declares J. W. Morrow, sometimes of Heppner and sometimes of Portland. "The day will come when the John Day irrigation project will be realized and when water is placed on the land of Morrow county it will become wonderfully productive. The John Day project was considered visionary before the war because it will cost millions. The war, however, educated people to think in large sums and a project costing millions does not stagger the imagination now as it did four years ago. With water on the land of Morrow county it can produce enough food to feed an enormous population."—Oregonian.

ATTEND THAT FIRE MEETING

All citizens and tax payers are advised to attend that meeting of the fire company called for this evening by President Notson and Chief Huston as it is rumored that these two officials are planning to make a demand for an 100 per cent advance in salary. If you don't want these gentlemen to slip something over on you you had better be on hand at the council chamber tonight at 8:00 o'clock, sharp.

ATTENTION KNIGHTS OF PYTHIAS

All members of the order are expected to meet at the lodge hall at 9:30 A. M., Saturday, May 29th, from where they will march to the cemetery where memorial services will be held in memory of departed brothers. All members of families of deceased members are invited to attend this service.

W. W. SMEAD, K. of R. and S.

Count Tolstoy on Chautauqua Program

It is with no little satisfaction and pride that the West Coast Chautauqua management announces the coming of Count Ilya Tolstoy, son and literary heir of the great Leo Tolstoy.

Born and reared to well advanced manhood in his native country, and having but recently returned from Russia where he made a careful study of political and economic conditions, no man in America is so well informed on present day Russian subjects as Count Ilya Tolstoy, and no other can speak with equal authority. Count Tolstoy has an excellent command of the English language, and his views, which are anti-Bolshevik, have appeared in twelve periodicals, including Century, Harper's, Everybody's, Collier's and Leslie's.

Presenting this lecture feature is a distinct accomplishment and is a striking example of the worth to a community of good Chautauqua service. This great movement has now assumed world significance and is placing within the reach of towns of any size the opportunity of hearing some of the world's greatest.

The third night of the Chautauqua should find a record attendance to do honor to the coming of Count Tolstoy.

BIG MEMORIAL DAY PARADE

Saturday Morning, Speaking and Exercises at the Pavilion

The committee on arrangements have found it advisable to announce a change in the program for the Memorial exercises next Saturday.

The band boys, in view of the fact that many of them are in business houses and certainly would be otherwise greatly inconvenienced sometime ago asked to be excused from Saturday afternoon concerts. This is certainly reasonable. Heppner is proud to have a band and most people feel that if the services are all held in the morning it will be less general inconvenient and assure greater opportunity for attendance.

The following program has been arranged for the day:

- Church bells will ring... 9:00
- Band concert at Court House... 9:30
- Parade at... 9:45
- Heppner Band, School Children, Woman Relief Corps, Lodges, Veterans of '65 and other Wars, Body of Heppner Post other organizations, cars and civilians.
- K. of P. lodge will hold ceremony at the cemetery.

MEMORIAL EXERCISES AT FAIR PAVILION

Chorus
Lincoln's Gettysburg Address
General Logan's Memorial Order.
Address of Day...
S. E. Van Vactor
Parade to Cemetery... 11:45
Decorations of Graves.
Everybody turn out and help make this a real event.
Signed:
L. A. HUNT,
MRS. C. C. HAYNIE
Com. on Arrangements.

WILL STORE WILLOW CREEK WATER

L. A. Hunt, county agent, who has been making a survey of possible storage reservoirs on Willow and Rhea creeks, reports that a meeting of water users on these creeks will be held some time next month when a full report of the possibilities of this project will be submitted.

Several promising dam sites have been found, Mr. Hunt says, and he is of the opinion that more than enough water may be conserved to reclaim all of the creek valleys proper with a possible surplus which might be used as a starter on a small unit of the John Day district.

FIRE PREVENTION WEEK

This is fire prevention week and the public is asked by the forest service to unite with the government people in doing something to prevent the destruction of property by fire during the dry summer season. Every dollar's worth of property destroyed by fire is a direct loss of wealth to the community. The work expected during fire prevention week is largely in the way of spreading information as to the best means of preventing fires. C. L. Keithley and his assistants in the forest service office in the Roberts building, will gladly co-operate with anyone interested in this work. Call on them.

EPISCOPAL GUILD WILL MEET

The Ladies' Guild of the Episcopal church will hold a social meeting at the home of Mrs. J. J. Nye Thursday afternoon, May 27, at 3:15 p. m. Ladies joining with Mrs. Nye as hostesses are: Mrs. George Thompson, Mrs. W. P. Mahoney, Mrs. S. W. Spencer. All members are expected.

J. A. WATERS IS TAKING A VACATION

J. A. Waters is taking a vacation from his duties in the county clerk's office while taking treatment for rheumatism at Hot Lake. Mr. Waters' political friends and advisors are said to be keeping the wires hot urging him to hurry his cure and come home to look after his political fences. Official returns show that in Irrigon precinct out of 28 votes cast Mr. Waters received but 27, which is rather an alarming situation. At this writing the county vote has not been fully tabulated but it is believed Joe ran rather better in the other precincts. If this story doesn't cure rheumatism what will?

ATTEND COMMERCIAL SECRETARIES MEETING

Chas. Thomson and S. A. Pattison, president and secretary of the Commercial club, attended a meeting of the Oregon Association of Commercial Secretaries at Pendleton last Monday returning Tuesday.

They report a successful meeting a large number of the live commercial bodies of the state being represented, secretaries being present from as distant points as Burns and Coos Bay.

Many subjects of vital interest to commercial clubs and the communities they represent were discussed and the meeting was considered a most profitable one.

Among the subjects receiving attention were tourists camping grounds, landing fields for airplanes and co-operation between the several towns, and neighborhoods of the counties in promoting the interest of the community at large.

Another matter of general interest was that of community advertising, the convention going on record as being opposed to all hot air, colored picture stuff such as was so much in vogue several years ago.

Brief statements of fact regarding the various communities without hot air and as near the absolute truth as is humanly possible was strongly recommended.

The association decided on only one meeting a year instead of two as has been the custom, the next meeting to be held at Portland on a date not yet fixed.

ROUND-UP AT LENA

Jim Ayers, Waldo Vincent, Percy Hughes and Ed Sheridan were in from Lena Saturday boosting for the big time to be had at their home town on Sunday June 6th. Lena is going to stage a real Round-Up on that day when most all of the best buckaroos in Morrow county will be present to pull leather or set 'em straight up as the exigencies of the situation may require. There will also be some mighty fine races and everybody is invited to attend and see the fun.

TAKE KNIGHT TEMPLAR DEGREE

H. C. Githens, Ray Ager, Pap McAllister, George Aiken, David Hynd, and W. S. Prunty, motored over to Pendleton Friday where they were initiated into the Knight Templar Degree of the Masonic fraternity.

The gentlemen report a splendid trip and are generous in their praise of the royal entertainment accorded them by the Pendleton Knights.

ATTENTION FIREMEN AND CITIZENS

The annual meeting of the Heppner Fire Company will be held at council chambers this (Thursday), evening at 8:00 o'clock. All members of the company as well as all citizens who are interested in protecting Heppner property against future disastrous fires are urged to be present.

The condition of the fire company is not good. It is up to every citizen to get behind the boys and help them in maintaining an effective organization.
E. R. Huston, S. E. Notson, President
Chief

DOMESTIC SCIENCE CLASS ENTERTAINS MOTHERS

A delightful luncheon was served to the mothers and other lady friends of the members of the Domestic Science class of Heppner high school last Thursday. The cuisine and service were all that could be desired and reflected great credit on the young ladies of the class and their efficient and much loved teacher, Miss Freese.

PATRON-TEACHERS MEETING TOMORROW

An important meeting of the Patron-Teachers' association will be held at the school house Wednesday, May 26, 1920, at 3:30 P. M. Prof. D. W. Britnott will make an address on "The Service of the Great." Prof. Burlingame will give a reading and Miss DuFoe will favor with a solo. The meeting is said to be of more than ordinary importance and all members and other interested parties are requested to be present.

BALL GAMES CLAIM MUCH ATTENTION

IONE TEAMS LEAD IN GREAT NATIONAL GAME

Heppner Hi Wits in Sherman But Lose to Teams Nearer Home

Ione gave Condon a battle royal on the Egg City diamond last Sunday in which Ione came off victor in a hot 2 to 3 game.

It was anybody's game until the ninth canto, each team having 2 scores to its credit up to that point, when Ione tallied by driving a fast run across thereby winning the hardest fought game of the season in these parts.

Heppner All-Stars journeys to Condon on the 30th to take a try at the Wheat City team the compliment to be returned the following Sunday when Condon will play on the Heppner field. Heppner fans and rooters will please take notice and get their megaphones ready.

The Heppner high school team motored to Moro Friday where they engaged Moro Hi, the game resulting in a victory for Coach Burlingame's boys.

The following day they played Wasco in which they duplicated their Moro victory although, it is said, Wasco slipped in some professionals on them. The boys arrived home Sunday morning in time for Sunday school.

Heppner and Lexington grammar school teams played at Lexington on Saturday, the closely contested game resulting in Lexington's favor.

Heppner Hi ball team shows lack of practice.

Heppner and Ione high school teams met in mortal combat on the Lexington field last Wednesday to play off the tie for the championship of the county high school league and the Egg City boys cleaned up on Heppner by a six run margin the final score showing 10 to 4 in their favor.

The game was fast and with the exception of an unfortunate decision in an early inning it was free from wrangling.

Balsiger started things humming for Ione by getting a home run with three men on bases in the early hours. Davidson also showed up well in the box holding Heppner to five hits.

Peterson was the big noise for Heppner and Irwin also showed up fine. The Ione battery was Davidson and for Heppner Peterson and Young.

This was the final game for the interschool league the standing being

Ione 609
Heppner 469
Lexington 09.

The All-Stars won their first game Sunday when they defeated the fast Eightmile team by a heavy score. They also played some fast ball.

The farmer boys led by a two-run margin until the fourth canto when Beckett weakened and allowed the Dahlia City boys to park in six big, elegant tallies. He was replaced by Lapham who held the boys down for the remaining innings.

Stone and Aiken carried off the batting honors for Heppner while Elliott and Beckett looked good for Eightmile.

The batteries: Eightmile, Beckett, Elliott, Lapham; Heppner, Ballou and Aiken.

OF HIGH ORDER

Don't overlook the Star Theatre ad in this paper. The pictures this week are of high order and you will enjoy them.

Mr. and Mrs. Freeman Frye, Mrs. Tom Chidsey and Albert Adkins are at Baker City attending the I. O. O. F. Grand Lodge in session there.

PORTLAND WOOL SALE FIXED FOR JUNE 14

Due to the late arrival of wool and the delayed season, the wool sale which was to be held in Portland by the Columbia Basin Wool warehouse May 25 has been postponed until June 14. FIRST NATIONAL BANK

MEDICAL AND SURGICAL TREATMENT UNSATISFACTORY

A piece of steel is used on quivering flesh and it becomes an "operation" but the "Bloodless Surgeon" with his fingers and trained mind to guide them, are doing marvelous operations, but because no blood flows, these operations do not take on the significance of the gory. The Washington, D. C. Times, May 4, contains the following: Signaller Tom Skayhill, the soldier-poet of the Anzacs, who came to Washington last Thursday to take part in the Red Cross drive and who had been blind since December, 1916, as a result of shell shock suffered at Gallipoli, today sees as well as anyone. Thursday evening he complained of pains, which suggested to his friends that an osteopathic treatment might bring relief. Arrangements were made and Drs. Karl Kettler and Riley D. Moore met Signaller Skayhill at Garfield Memorial Hospital. After a few minutes' treatment by Dr. Moore, Skayhill leaped from the table, shouting, "I can see you, doctor! I can see you."

Signaller Skayhill, today wrote the following story for The Times, in which he gives a vivid picture of the sensations he experienced upon receiving his eyesight: "When I entered the operating room at Garfield Memorial Hospital I had little hope that osteopathy could do any thing for me. This idea was removed shortly however, for within a few minutes after Dr. Moore began manipulating the back of my neck at the apex of the spinal column I experienced a sharp, excruciating pain. Then, as if by magic, little flashes of light began to come before my heretofore dimmed eyes, and before I realized just what was taking place I found that I could see. Regular physicians ascribed my condition to shell shock and were not at all encouraged as to the possibility of my ever regaining sight. I, however, kept on and hundreds of physicians, some famous specialists in England, France and the United States, have examined my eyes, all coming to the same conclusion, that only a medical miracle could save me from going through life in the black mists. Now that Moore has by a manipulation, restored my sight, I shall proclaim his name wherever I go and tell my audience, wherever I speak, of the simple manner in which this man brought my sight back to me.
