## Buyers of Printing

Just a few words to the Business Man who desires to have his Printing produced accurately and promptly

WOULDN'T it be a great relief if you could say to your printer, "I need a catalogue, a circular, some letterheads and envelopes," and then be able to entirely dismiss the matter from your mind in the confidence that he will do the work to your entire satisfaction. The printer comes to you with a proposition that pleases; that has a strong advertising value in the suggested copy, in the proposed typography, in the color arrangement, and in the general layout. What a satisfaction to have an assured confidence that the finished product will meet with your approval

The printer who can do that for you must offer efficient service. That is what we are giving to our numerous customers, and we are ready to do the same for you.
