### BOARDMAN NEWS

Boardman, Ore., Sept. 7.—The Grange picnic held on Labor Day was a fine success. The entertainment began with a ball game between the married and single men, and showed a comparatively close score of 16 to 21 in favor of the latter. Kexa and Blayden were battery for the single men and Rand and Nizer for the married men. Then followed a picnic dinner on the Columbia beach at Coyote. Farmer Smith was present and delivered an address upon Home, Health and Happiness.

In the evening there was a reception by the Parent Teachers Association for the teachers of the school who had assembled for the opening on Tuesday. The reception was followed by a very enjoyable musical program by the DeMoss family, famous throughout this country and Europe. Mr. DeMoss stated that he was making only the important cities of the country this season, which of course made a hit with Boardman.

Messrs. H. L. Everett and C. A. and N. A. Macomber, have purchased the Cummins Garage on the Columbia Highway in Boardman. These gentlemen come from Pilot Rock where Mr. Everett was shop foreman for the Pilot Rock Auto Co. They are assuming the contract for hauling the school children on the East side route and will put into operation a Federal ton truck for the purpose. They will also do a general garage and repair business.

### IRRIGON ITEMS

The enrollment in the Irrigon school shows an increase of a little more than 32 per cent above that of a year ago. That of the high school, a little more than double that of last year. Principal Anderson informs us

that both teachers and pupils are getting under the tasks of the year with a good degree of determination to win some laurels. He remarks that the Irigon pupils do not seem to feel toward their school work as the little people of Portland were represented in a recent issue of the Telegram. Irigon boys and girls are glad to get back to the work which is to mean so much for them in all the years to come.

Mr. N. Seaman's new residence is almost enclosed, and work is progressing rapidly. We shall soon find his family at home on their acreage adjacent to the town plat.

Mr. and Mrs. Frank Strader, recently married, are at home in the former property. Mrs. Strader was formerly Miss Esther Graybeal.

The Rev. Mr. Harper, S.S. Missionary, visited this part of his field last week to see what he might say or do to advance the work the church has placed him over.

Rev. J. W. Hood, pastor of Irrigon and Boardman, with residence at Irrigon, preaches regularly at Boardman each Sunday morning and at Irrigon each Sunday evening. He and his wife, opened their home to the young people of Irrigon last Friday. We understand that one purpose of the gathering was to consider the matter of organizing a Young Peoples' Society of Christian Endeavor.
