The Moral Risk When the time comes to seek credit, a bank will want to know what you ARE as well as what you HAVE. That's where the moral hazard comes in. And you can't establish credit over night. Rather, it is a matter of becoming KNOWN at your bank, of establishing confidence by the way in which you have kept your account, regardless of the amount you have to your credit. Get acquainted—that's the first thing. Then develop that acquaintance into friendship. It will stand you in splendid stead when the time comes. Remembering also, that this bank offers you a complete banking service. Farmers & Stockgrowers National Bank HEPPNER, OREGON.

We Say to You As We Say to All— LET tone decide which phonograph you buy. Listen to different instruments, ask to have different records played. Compare The Brunswick with other phonographs. Insist on a phonograph which plays ALL records, such as The Brunswick. Be not content with a phonograph designed for but one make of records. The Brunswick plays ALL records, whatever make. And plays them exactly as they should be played, with the proper diaphragm, needle, etc. And our all-wood Tone Amplifier gives them greater richness. The new Brunswick Method of Reproduction is the most advanced and finest way of playing yet devised. All old standards are now discarded. We will be glad to prove to you that The Brunswick is the one phonograph you want. And to offer the same way of proving that Brunswick Records bring new standards. We abide by your decision.
