IONE

A Surprise Wedding of the Season

Harley Sperry tendered a surprise on his friends last Tuesday when he and Miss Winifred Ramsey went to Heppner and were quietly united in holy wedlock. The Rev. Livingstone of Heppner officiated. The bride's home was at Forest Grove, where she resided with her parents before coming to Ione a few weeks ago. She is a graduate of one of the Portland high schools. The groom is the oldest son of Mr. and Mrs. C. B. Sperry and is well and favorably known, having been reared and educated in our city. During the war he served in the navy. At present the young couple are stopping with the groom's parents. Their friends join in wishing them a long and prosperous wedded life.

Mr. and Mrs. A. Newman and son Molalla came Tuesday by auto and are guests at the home of Mrs. Newman's sister, Mrs. Clydet R. Walker. Their daughter, Miss Fay, has been staying at the Walker home for the past few months and attending the Ione school.

Mrs. Albert Hennig and little daughter, of Heppner, came Friday and visited a few days with the former's parents, Mr. and Mrs. E. E. Miller. They returned home Sunday accompanied by Mrs. Hennig's little son Edward, who had been visiting a few days with his grand parents.

Last Thursday while Mrs. J. E. Swanson was busily engaged in her house work she accidentally ran a needle in her hand, and in so doing it was broken, leaving a part of it in her hand. So far it has not been located and is causing her quite a little trouble.

John Cochran, one of Morrow counties noted coyote hunters, left Saturday for Idaho, where he expects to spend some time trapping and hunting.

Mr. and Mrs. John Hassner and two children left last week for Gresham, where they have bought them a

nice home. Mr. Hassner will engage in the garage business in that city. Mr. and Mrs. Hassner have resided here for a number of years and during this time have made many friends who are sorry to lose them from our midst.

Mr. W. T. McNabb passed away Monday morning at his home in this city at the age of about 59 years. The cause of his death was heart trouble. The end came suddenly and is a shock to his relatives and many friends. The particulars of the funeral will be given later.

Mrs. John Bryson and two sons returned Sunday from Portland where they spent the past week at the home of the former's sister, Mrs. L. J. Padberg.

C. M. Schriver, one of Ione's prosperous farmers, accompanied by his family, left Wednesday by auto for Dallas, where they will enjoy a few day's visit with relatives and friends.

Miss Addie Inus of the Well Spring neighborhood left the first of last week for Spokane where she will spend a two-week's stay with relatives.

The Ione high school football team won the game on their local field Saturday when they played the Arlington team, scoring 28 to 0.

E. J. Bristow and family left Tuesday by auto for Walla Walla, where they will spend the week-end with Mrs. Bristow's sisters, Mrs. E. E. Shemwell and Miss Olive Wade. They were accompanied by Mrs. C. W. McNameer, who will also visit a few days with her father and brother. They returned home Sunday accompanied by Miss Wade who will enjoy a few days visit at the Bristow home.

The Misses Florence and Almira Frank returned home Wednesday after spending the past three months with relatives at Gresham and Portland.

Roy V. Whitels of Heppner was a business visitor in our city Saturday.

Rev. Hall met with a painful accident Friday, while cranking his car the motor back-fired, breaking his right arm near the wrist. The radius

bone was quite badly shattered. The same day Ruth Swanson, the 11 year old daughter of Mr. and Mrs. C. W. Swanson, while picking apples at her home, fell from the roof of the wood shed on which she was standing and broke one of the bones in her right arm between the wrist and elbow. Dr. Walker attended both parties and at last reports they are doing nicely.

ASKS VOTE AGAINST BIRD REFUGE BILL

The following telegram was received this afternoon:

Commercial Club, Heppner, Ore.: Your neighbors and allies are in trouble and need your help. Passage of Roosevelt Mammal Bird Refuge measure is against our irrigation development. You need no explanation of conflict between community organization and federal government. This is the grand halting sign of distress.—Silvies River Irrigation District, Wm. Hanley, President.

Jazz Club Arouses Lexington's Slumbers

A crowd of young people under the name of the Heppner Jazz Club journeyed to the home of Miss Lovell Lucas, a member of the association, last Tuesday evening to spend a few lively hours in singing, dancing and card playing. Refreshments were later served including home made doughnuts and apple cider, as well as some wonderful pumpkin pie. The members were taken to Lexington by Don Case in his new Oldsmobile, and jollier crowd will never ride in the new bus than this one on the frosty night of October 19. Since the club is composed mostly of high school students they gave all the yells as well as a few others on many of the main streets of the city. The club was organized for the purpose of having good times at the homes of the various members. Jared Aiken is president, Ted Young vice president, and Miss Ina Case secretary-treasurer. The other members are: Misses Bernice Sigbee, Esther Neels, Florence Cason, Bessie Yokum, Lovell Lucas and Mary Clark, and Elmer Peterson, Edward Chidney, Richard Howe, Don Case, Alvin Boyd and Ellis Irwin.

Hair Dyes Not Needed.

Hair dyes are unknown among Chinese women, as their hair is uniformly black, becoming gray only in extreme old age.

OLD TIMER VISITS FRIENDS HERE

John McAllister, former pioneer resident of Heppner, and years ago known as one of the old-time "sheep trailers" of this section, was here Saturday, the guest of his old friend Charley Jayne while looking up old acquaintances. Mr. McAllister first came to Heppner in 1879 when the town was not what it is today, but according to the visitor it was a pretty good town then. For many years Mr. McAllister engaged in the business of buying sheep and trailing or shipping them to the eastern markets. He was a contemporary in that line of John Meek, John and Harve Blake, Doc Wilson and other early stock dealers whom old timers will remember.

Mr. McAllister is now a resident of Idaho, where he operates a big stock ranch, calling Boise or Baker or both or either his home town.

HEPPNER II CLEANS UP ON FOSSIL

Heppner High football eleven played their first game of the season at Fossil last Wednesday and brought home the bacon to the tune of 7 to 0. Speck Aiken, who was one of the invincible Heppner bunch, reports to the Herald that it really was a tough game, there being no touchdown until the last quarter. Up to that point Fossil had the best of the argument, but things changed then and Heppner went the limit in sensational plays.

The game gives Heppner a good start in the season's schedule, and if she keeps the lick up it will land her at least well toward the top. Fossil will play a return game November 11, Armistice Day. Heppner's next game will be at Ione next Saturday. All the teams are members of the State High School Athletic Association.

**Better Think Twice
Mr. and Mrs. Morrow County Voter
Before Voting to Drive Capital from this County and State**

That, in effect, will be the result of voting for the measure entitled:
"Constitutional Amendment Fixing Legal Rate of Interest in Oregon."

This measure, if enacted at the coming election, will limit the legal rate of interest in Oregon to 4 per cent.; by contract to 5 per cent.

What Will This Mean?

Simply that outside capital will quit coming to Oregon, or, if already here, will withdraw from the state and seek investments elsewhere.

What Will That Mean?

Simply that stockmen, farmers, business men—everybody who is doing business on borrowed capital in Morrow county will be called upon to take up their present notes as soon as they become due for the reason that people with money to loan will not loan in Oregon at 5 per cent when they can cross the state line, north, south, or east, and secure 8 or 10 per cent for the use of their money.

What Will All This Mean to Oregon Borrowers?

What will it mean to you, Mr. Farmer, or stockman, or business man, if you were required to liquidate today or tomorrow, or even by the first of next year? Wouldn't it spell RUIN in capital letters?

What would it mean to YOU, Mr. Wage Earner, whether you be farm hand, sheepherder, mechanic or road worker, if the men who are now employing you should be forced into bankruptcy?

How long would you stay in Oregon, Mr. Wage Earner, if the voters so amend the constitution that only \$1.00 a day could be paid for labor in this state?

How long would you continue to raise wheat, or cattle, or alfalfa, Mr. Farmer or Stockman, if the price of these commodities were fixed by statute at one-half the price fixed in adjoining states by the law of supply and demand?
