REPUBLICANS MAKE LANDSLIDE SHOWING

CHAMBERLAIN STILL HAS FIGHTING CHANCE TO WIN

McDuffee Wins Sheriff Office—Commissionership Yet in Doubt

A report received at the Herald office at 10:00 a. m. Wednesday from Democratic State Headquarters at Portland says: "Twenty per cent of vote in the state is now in with Chamberlain 630 votes behind."

Sufficient returns from the country at large were received before midnight to show that a republican landslide hit the eastern section of the country, and Harding's election was conceded at an early hour.

The much talked of breaking away from party lines failed to materialize and voters generally seemed to vote straight tickets. The women's vote also failed to make any material change in general results.

As we go to press Wednesday morning but few returns from the county have been received, but the election of George McDuffee, republican, for sheriff is conceded.

The senatorial contest in Oregon is close according to latest reports, the odds rather favoring Stanfield, rep.

As the Herald goes to press Wednesday morning but few returns from other points in Morrow county have been received, but Heppner precincts indicate that Stanfield has carried the county by a substantial majority.

Four precincts in Heppner give McDuffee, for sheriff, 454, against 187 for Sperry, democrat. McDuffee carried Cecil precinct, and Sperry carried Ione, his home precinct, by 11 votes.

In the four Heppner precincts Davidson, republican, received 319 votes for county commissioner, and Padberg, independent and present incumbent, received 280.

MANY HUNTERS IN THE MOUNTAINS

Many Heppner sportsmen are in the mountains hunting the elusive deer, and, so far as the Herald man knows, with very poor success. A nice big hunk of juicy venison would change our viewpoint very materially no doubt, and it would also be the foundation for one of the finest hunting stories ever written, and if YOU want to be the hero of such a story just drop a hunk of venison in the right spot and we will do the rest.

Doc McDuffee is in the mountains as this is written and we have hope of better things, for, be it known, whenever Doc gets a deer the Herald family has meat for dinner. No other successful hunter should allow this statement to disturb him, however, for even if Doc should beat you to it remember that two hunks of venison are always better than one hunk, and we can write as many fine hunting stories as there are hunks.

Now that it's over let's all whoop'er up for good prices for wheat and wool. That counts.

When Vienna Was Flooded

In addition to its other woes, Vienna, Austria, was flooded recently. The photograph shows the landing place of the Danube ship company during the floods.

COUNTY FIELD AND TRACK MEET IN IONE--DECLAMATORY CONTEST

At the Annual Teachers' Institute held in Pendleton last week, it was by unanimous vote by the committee to hold the next county field meet and declamatory contest in Ione. The oratorical and declamatory contests are to be held in Ione on the evening of April 8, and the track and field meet on the following day, Saturday, April 9.

The committee made several changes in the rules and regulations for the track and declamatory contests. The high schools of the county are to be in a separate division by themselves and not thrown in with the grades as was done last year. The events for the high school boys are as follows: 50-, 100-, and 440-yard dashes; mile run; 440-yard relay; 220-yard low hurdle; javelin, discus, shot put, pole vault, running high jump, running broad jump. The events for the high school girls are: baseball throw, basketball throw, 50-, and 100-yard dashes, all-up Indian club race, relay, and obstacle race.

A suitable printed blue ribbon will be awarded to the winner of the first place in each event. A silver cup is to be awarded to the school that wins the greatest number of points, with the understanding that that cup becomes the permanent property of the school that wins it three successive times.

Pupils entering the grade track and field contests are to be divided into two divisions. Boys weighing 110 pounds and over and girls weighing 100 pounds and over are to be in division "A." Boys weighing less than 110 pounds and girls weighing less than 100 pounds are to be in division "B." Events for boys in both divisions are as follows: 50- and 100-yard dashes, baseball throw, 220-yard relay race, running high jump, running broad jump. In addition the "A" division boys have hurdles, half-mile run, and 220-yard relay race. The events for the girls in both divisions are as follows: 50-yard dash, baseball throw, basketball throw, Indian club race. In addition the "A"

division has relay race and low hurdles. A suitable printed red ribbon will be given to the winner of first place in each event. A banner or pennant will be awarded the school that wins the greatest number of points in the meet.

The rules and regulations of the Oregon High School Athletics are to apply to all high school contestants. Each school is to enter the meet by itself and not with some other school as was arranged last year. Mr. Herd of Heppner and Mr. Byers of Ione were appointed by the committee to arrange the score card in such a way so as to have two or more events going on at the same time.

In the Oratorical and Declamatory contests the committee provided for four divisions as follows: oratorical division "A" for high schools, declamatory division "B" for high schools, declamatory division "C" for 5th, 6th, 7th and 8th grades, declamatory division "D" for first four grades.

Principal M. B. Signs of the Boardman school was elected secretary for the association and Principal Bennett of Lexington was elected treasurer. The County School Superintendent is ex-officio president of the Association. The next meeting of the committee is to be held some time in January at the call of the County School Superintendent. Any teacher in the county may attend any of the meetings and vote on all questions.

CONDON WRESTLING BOAT BROKE UP IN ROW

Harry Selby, who went to Condon Saturday to manage Dodan Singh in his wrestling contest with Jack Kennedy, returned Monday morning and reports that the match only went to one round in which his man threw the Condon champion, when the latter's backers claimed a bun deal and called the match and all bets off.

Selby now has a challenge from an eastern wrestler, who claims the championship of the Atlantic coast, to meet Jepson here at an early date, and it is expected a match will be arranged for the near future.

FORMER MORROW PIONEER PASSES

Word reached here a few days ago of the death of Charles Fuller, near Grants Pass, Oregon. Mr. Fuller was 70 year old. He was an old time resident of this county and in early days owned and operated a ranch on McKinney creek. He was also employed by B. F. Swaggart more than 40 years ago as a sheep herder. He left no relative in this section of the state.

McNABB FUNERAL LAUGELY ATTENDED

Many Heppner people attended the funeral of W. T. McNabb at Ione last Friday. Mr. McNabb was prominent in Masonic circles and many members of that fraternity were among those who attended. The funeral was one of the largest ever seen at Ione.

PATRON-TEACHERS WILL HOLD "BOOK" SESSION

PLEASING PROGRAM PROMISED FOR NOVEMBER 9

Children's Needs in Reading Matter Will Be Practical Topic of Discussion

A particularly interesting session of the Patron-Teachers association is promised for Tuesday afternoon, November 9, when the question of suitable reading matter for children and young people will be the principal theme for discussion.

Mrs. George Thompson will open the discussion with a talk on suitable books for children, and it is expected that other members will join in a general discussion of this important subject.

An exhibit of children's books from the state library will be shown, and it is believed a plan will be worked out that will result in providing a suitable class of reading matter for the young people of the community.

In addition to the book program there will be a musical exercise given by the second and third grades, as well as several recitations.

All patrons of the school and others interested in the welfare of the young people of the community are invited to be present.

WIZARD OF MAGIC COMING

Davis, the Great Magician, Presents Most Elaborate Entertainment

Davis, popularly known as the master magician, is to unloose his bag of tricks before local people here on the evening of Tuesday, November 9, at the Star theater. Davis is the exception proving the rule that there is nothing new in magic. There is more new stuff in the Davis program than the usual whole evening given by the ordinary magician. What Davis does is wizardry, and his manner of doing it is an artistry of the highest type.

There is one strange thing after another and fun all the time. You'll laugh at his wit and humor as well as his wonderful magical feats. You'll want to watch him closely, for when you think he has finished a feat in magic—and it would be the end with the average magician—he is just getting to the interesting part; in fact nearly all of his tricks have three points to them instead of one.

Davis performs twice as many feats as the average magician. There is no delay with useless "patter" and his talk is as interesting as what he does. With a splendid stage setting, lots of paraphernalia and an excellent assistant, the entertainment runs smoothly and without waits. You will say he is the cleverest magician you have ever seen, and you will enjoy his program from beginning to end. There is not a dull minute in it.

LIBRARY BENEFIT AT THE STAR

At the Star theater tomorrow (Wednesday) evening, November 3, a musical and literary program will be rendered by local talent, the occasion being in the form of a benefit for the Heppner Public Library fund.

The entertainment is being given under the auspices of the Olive club. Miss Gladys Lane, one of Heppner's most talented young vocalists, is in charge of the program, which insures a repertoire of delightful numbers.

The Heppner library is one of the most important civic organizations of the city, and every citizen should take pride in giving the cause their moral and financial backing. The program will be a varied one, the musical and literary numbers being interspersed with the regular film attractions.

MASONS WILL EAT

The Ladies of the Eastern Star will give a chicken dinner to the Masons and their families Friday, November 5, at 6 o'clock; 75c a plate 11

Have you seen the new Majestic Range? A demonstrator from the factory is at Gilliam & Bibbee's store this week. He fully explains all the superior qualities of this supreme range, and gives a set of fine cooking ware to each purchaser of a Majestic during the demonstration.

Visit their store this week, if you want the greatest range value ever offered.

COVERED WITH MEDALS

Loris Van Iersel of Passaic, N. J., was the most decorated war veteran attending the convention of the American Legion in Cleveland. He won 19 medals for valor during the World War, one of them being the Congressional Medal of Honor, the highest award of Uncle Sam to his heroes. Van Iersel is here showing some of his medals to Mayor Fitzgerald of Cleveland.

HIGH SCHOOL CLASSES ENTERTAINED SOCIALLY

Last Saturday evening was something of a red letter occasion for Heppner high school students, each class being the recipients of social attention in some home in the city. The time honored festival of Halloween was no doubt responsible for the festive occasions.

The seniors, class of '21, were delightfully entertained at the home of Mr. and Mrs. T. J. Humphries, whose son, Roland, is a member of the class. The beautiful home was made particularly attractive for the affair and after a most pleasant evening a midnight luncheon was served.

Mr. and Mrs. Vawter Crawford threw their home open to the junior class the same evening, and all who were present report a splendid time.

The sophomores were entertained at the home of Mr. and Mrs. E. R. Huston, and every loyal "soph" maintains that that was about the only real party given in Heppner. There were games and other entertainment galore, and the refreshments were all that could be desired.

But in point of numbers, the freshmen party at the home of Mr. and Mrs. W. P. Mahoney had them all beaten. Lincoln's remark that "God must love poor people because He made so many of them," might be applied to the "freshies." There are 45 of these exuberant young people as against less than a dozen seniors, and they are just as positive that the class of '24 is about the last word in school classes as they are that Mr. and Mrs. Mahoney are the most wonderful hosts in the world.

Yes, it's good to be young.

HOTEL LEASE DEAL MAY CLOSE THIS WEEK

PAT FOLEY EXPECTED WEDNESDAY FOR FINAL CONFERENCE

Successful Hotel Man Says He Can Open Hotel 30 Days After Lease Signed

C. L. Sweek, secretary of the Heppner Hotel company, stated Tuesday morning that he had just been talking with Pat Foley over the telephone, and that Mr. Foley said he would be in Heppner Wednesday or Thursday to close the deal for the lease of the new hotel.

On the occasion of Mr. Foley's last visit here he requested a bonus in the form of a percentage of the capital stock held locally and Mr. Sweek at once took the matter up with the stockholders with the result that the required bonus was readily furnished.

Mr. Sweek therefore sees no reason why the deal should not be speedily closed.

Mr. Foley stated, at the time of his last visit here that he has all arrangements practically completed for securing the furnishings for the new hostelry, and that he can have the place furnished and ready to open within 30 days after the lease is signed.

This is good news to Heppner, as the need of adequate hotel accommodations has been keenly felt since the big fire destroyed the old Palace nearly two and a half years ago.

HARRY CUMMINGS SPEAKS AT BOARDMAN

A fair sized crowd greeted Harry Cummings, the Heppner songster of the Republican party, at the auditorium Thursday evening.

He was aptly introduced by A. E. Cobb, and was well received by all except a few Coxeyites who left the hall, unable to stand the terrific lambasting which the speaker handed them.

Mr. Cummings also sang his campaign songs, and played his fiddle amid much enthusiasm, but when it came to a suggestion of a straw vote he declined, having had some painful experience in that line.

MRS. VAN VACTOR ENTERTAINS

Mrs. Sam E. VanVactor entertained the Episcopal Guild and a number of friends who are not members of that society at a most enjoyable bridge party last Thursday afternoon, when about forty ladies were present. Mrs. Bert Stone secured the first prize and Mrs. C. L. Sweek the second prize.

Following the games refreshments were served and a pleasant social hour was spent.

Visitors at Gilliam & Bibbee's store this week are making delightful expressions of admiration for the new Majestic Range. The enamel finish on doors and splasher back is especially beautiful. Also the convenient water heating arrangements are ideal. Each purchaser of a Majestic Range this week gets a set of high-grade cooking ware without extra charge.

Tri-State Terminal Co.

Opens General Office at Heppner, Oregon

To the people of Morrow and adjoining counties: We are pleased to announce that we have opened at Heppner a Grain Buying Office, Wholesale Supply House, and necessary adjuncts for the operation of business.

Having succeeded the Heppner Farmers Elevator Company in their entire holdings, we take this means of thanking you for the privilege, for we realize full well that it is through the untiring efforts of the many friends and stockholders of the Tri-State Terminal Company that this big undertaking is possible.
