HARDING PLURALITY IN NEW YORK HUGE

New York.—Election of Nathan L. Miller of Syracuse as governor by an estimated plurality slightly in excess of 70,000 as shown in revised figures assured the Republicans of a clean sweep in the election.

The vote tabulated gave Harding 1,836,513, Cox 779,008, or a plurality of 1,056,445.

New York City went Republican in the presidential contest for the second time in its history, McKinley having turned the trick on Bryan in 1896.

The largest popular vote previously received by a presidential candidate in New York state was \$79,070, which Mr. Taft polled in 1908. The previous record plurality was made in 1896 when McKinley led Bryan by 268,375.

United States Senator James W. Wadsworth Jr. was leading his Democratic opponent, Lieutenant Governor Harry Walker, by 323,991 votes.

HARDING HAS BEST BIRTHDAY

Surrounded by Family and Friends, Senator Receives Returns.

Marion, O.—Warren G. Harding Tuesday had the greatest birthday party of his life.

Surrounded by members of his family and a circle of neighbors and personal friends, he received quietly at his home here the tribute of the millions who had voted to present him on his 55th anniversary with the presidency of the United States.

The smile of confidence he has worn for weeks broadened as he received the early returns and began to receive a flood of congratulations hailing him as the president-elect.

While the senator was at dinner a committee of employes of the Marion Star, his newspaper, called to present him with a gold printer's makeup rule, and he came out on the front porch and, with his voice choking with emotion, thanked them for their devotion.

OHIO AVALANCHE GROWS

Harding's Plurality Over Cox Over 300,000 Mark.

Columbus, O.—The republican avalanche of votes that swept over the nation Tuesday, continued to pile up majorities by the thousand in Senator Harding's home state for his colleagues.

Not a republican candidate for state office was defeated, and returns indicated the possibility that the entire Ohio delegation in the next congress may be Republican. In the present congress, there are eight Democrats and 14 Republicans from Ohio.

Harding's plurality over Cox has passed the 300,000 mark.

Ex-Governor Willis' plurality will approximate the 300,000 mark in his race against W. A. Julian for the seat to be vacated by Senator Harding.

Iowa Strongly Republican.

Des Moines.—From president on down to minor state offices Iowa has gone Republican by overwhelming majorities. On the basis of returns, Harding's majority in Iowa will be approximately 400,000; Cummins' majority will be about 200,000 and Kendall's will be about 150,000, political authorities were predicting.

California Goes Republican.

San Francisco.—California has gone overwhelmingly Republican. Returns indicated that Harding and Coolidge have carried the state by more than 300,000. Samuel M. Shertridge defeated the Democratic incumbent decisively, returns giving Shertridge 231,700 and Phelan 117,418.

HOOOSIER
SAVES MILES OF STEPS

---and Hoosier saves time, too. Its orderly arrangement, its oversize drawers and compartments, its many exclusive features, save backache and prevent "kitchen fag."

In a word, the Hoosier Kitchen cabinet---used and approved by two million women---is America's foremost kitchen convenience.

If you would get out of the kitchen earlier in the day--would coin some of your hours of drudgery into "time off" for rest and recreation, come to our store; sit before the Hoosier; notice how naturally and logically Hoosier's arrangement responds to your desire for kitchen shortcuts. See how much needless stooping, reaching and walking it will eliminate.

Improved Household Bell.

Three different sized tones from an electric bell of ordinary appearance calling the householder to the front door, or side door, are now made possible by the ingenious device of an Ohio manufacturer. The two electric transmitters of the bell have separate structures, one of which carries the bell clapper, while the other constitutes a buzzer.--Popular Mechanics Magazine.

And Still Doing It.

A man in Abingdon was fined by a magistrate for sleeping and snoring in church. Nothing was done to the clergyman for putting him to sleep.--Richmond Dispatch, May 17, 1870.

Enjoyable Sensation.

Emily was tired one night and quit ready to go to bed. As she lay back on her little pillow she said, with a big sigh: "Oh, how I love to respire!"

Awful Possibility.

Her mother insisting that she should finish what she had on her plate, little Marjory exclaimed, "If you make me eat another bite, mamma, I shall be humped back in my stomach like grandpa."--Boston Transcript.

Natural Abilities.

Natural abilities are like natural facts, that need pruning by study.--Lace.

You Answer.

It had been raining all day, and finally little Nettle asked: "Mamma, when God gets all the juice squeezed out of a cloud what does he do with it?"

Coral.

Genuine coral may be red, pink, white, blue, yellow, green or black, the last being the rarest and most highly prized.

Anti-Kissing Law.

In Bavaria, the state railways forbid kissing either on stations, where friends, relatives and families are met, or on trains, while France issued an order two years ago forbidding kissing on trains.

Strange Beliefs.

Every now and then one runs across some one who believes everybody has a right to his own opinions.--Toledo Blade.
