The debate between Heppner and Condon last Wednesday was another victory added to Heppner's already long string. Both teams won by a unanimous score. The next debate will be between our negative team and Pendleton. The school which our affirmative team will meet has not been decided upon as yet.

Heppner High School met and defeated Condon in basket ball last Friday night, this being the second victory over Condon for our team. The Condon boys put up a good last game, in fact, it was so fast the first half that they ended the half with a score of 6 to 5 in their favor, having made four fouls and one field basket.

The second half was a different story. While Childsey and Ferguson guarded the Condon boys so effectively that they could not score a field basket, Aiken, Peterson and McDuise ran the score up to 29. During the half Condon converted two more fouls, making a score of 8 to 29 in favor of Heppner. The outstanding feature of the game was the accurate shooting of Aiken and Peterson in the second half.

Plans are already on foot for an extensive base ball season this spring. Prospects for a winning team this season are far greater than they have been for several years. We have not lost a man from our team of last year, and we have an addition of Aiken. The line-up now talked about is, Peterson and Aiken changing off at short and pitching, while Boyd, Irwin and Ferguson will hold down the three corners of the diamond and Young as guardian over home plate. For outfielders we have about ten possibilities.

Georgette, Crepe-de-chine and Mignonette Blouses --at less than fair prices

To know that you are purchasing something at a "fair price" is a source of real satisfaction. To know that you are purchasing, however, at even less than a "fair price" is a source of greater satisfaction.

If we had to go into the market to buy Blouses of this type and character and worth, we would be obliged to pay more than we did, and in turn to sell them at a somewhat higher price. Fortunate far-in-advance contracts and our intimate association with some of the nation's foremost Blouse makers makes this low price possible.

Each of these new models bears the favored WIRTHMOR mark; always a guide-post to superior Blouse values. Eight new styles and none can be duplicated. Choice at \$5.00
