IMPORTANCE OF HEPPNER-SPRAY ROAD

Meppher and Morrow county people should show a If my interest in the proposed post road between this city and Spray, to which extended mention is given today in

A glance at the state highway map will show that Mr.Carsner's assertion that this will prove to be the most important connecting link in the entire eastern Oregon

With this short link improved and made usable all the year, the people of southern Wheeler county and a large part of Grant county will be served with a highway they have long needed, and the fact that they can come this way with a degree of case and comfort, will prove of great commercial advantage to Heppner. On the other hand, the tourist and general travel coming into Pendleton from the north and cast will be afforded the opportunity of swinging south through Heppner if their destina-

The from the horth and cast will be another the opport of the first destination should be in that direction, without being forced to drive miles farther west to find a southern route. Any objectious on the part of the highway commission to placing a new road on the state map should be overcome by bringing out Mr. Carsner's contention that this is a situation without a precedent and may safely be deal with ac ouch. Morrow rounty has already set aside the source in giving the people of the interime relief. Toos plan has been blocked by the refinal of Grant county to cooperate. The present project will mn only take care. to co-operate. The present project will not only take care of the section of country that was to be served by the read

Here is work for the Commercial club and the business interests of Heppner, in getting the facts together and the situation in hand to be presented to the highway county sciences when they visit this county.

A proper understanding of the situation and a bit of ginger will put the project over. Let's go.
