By ROBERT J. PEARSALL

Samurana and a samura (Copyright.)

I was standing on Kearney street in San Francisco when I saw a twohorse wagon pass with the letters "Q.M.D., U.S.M.C.," on its side. The letters seemed to me to have some personal similicance.

So I halled the driver, who was dressed in a blue uniform, and asked him what they meant. "Americannster's Department, Unl

ted States Marine Corps," he said. "Oh." I said. "Is that it? I thought they might mean, 'Quick, McDonnid, Uselesa Suckers Made Comfortable? He houghed a bit. "Your name Me-Dougld?"

"Well, they might mean that, too. Get n. Joh?"
"No."

"Went one?"

"Yes

"Jump in and come with me," He rook me to the recruiting office

at the foot of Market street, and the wind-up of it was that before the day was over I was colleted in the Marine Corps as a private at thirty perland on my way to the burracks at More

Which is all merely by way of ex-NOTICE is hereby given that as directed by the Commissioner of the General Land office, under poylostens of Section 2455, R. S., push art to the application of the summer light for morphology of the communicant's house on that mispicious night four morphs latter. Shortly after midnight the telephone

"Commandant's orderly," I unswered "This is which a. Message from Western Union."

I grathed a seneil and memorandus poil and presented to kept it. "Let er go," I wild,

This was the astoniding message that I received:

Commanding Officer, Marine Forracks. Mare Island, via Commundant, Navy

Place Private Fruit E. McDomed ander minediate arrest. Further instructions

(Signed), Riss. Commondant Marine Corps. Fred E. McDonnid! That was my

Bather than stay and face the upertain charges with its still more an-

ectain attendants of trial and punishment, I would run away. What with the sentries and civilian vatchmen and guards it wasn't rolm o he any easy time getting off the

island, and that I knew. Then I started down Davis street

loward the water-front, I knew where there was a share-box lying alongside the sen-wall at the end of the street. I would stent that or horrow it, rather, and get away. It was a mighty dark night: I had that in my favor, I got half-way down the street without being discovered.

Then, just as I was passing the En gineer bulldling, some one turned into the street about fifty feet ahead. I stepped and slunk against the side of the building; but he had heard me.

"Halt!" he cried. "Who's there' It was a sentry. Just above me was a barred window

I took hold of the ledge and pulled myself up noiselessly,

There I clung, monkey-like, The sentry challenged three times Then he proceeded to investigate. Several times he passed me so close that I could have kicked his but off. But at tast he gave it up and went

ils way, and I went mine, grace willy. I unds it to the senwall without And then the door of a pear-by buildnaming a tiple a four beaven as

egrop or CPH shoot, th'll shoot," he have come talls way. Where could be

I dishit think he would and so I kepty on running:

Ros, all of a sudden, from in from of me came the sharp: "Halt! Hait! Hait!" of a sentry.

I know that meant business, There was only one thing to do. It was a long awim across the channel, and the undertow was treacherous. but I turned and dove headleng from

the sen-wall. Bang! Say, did you ever make a running dive, expecting to hit water, and instead land square on a solid oak platform. No? Well, that's what I had

done. A float, for the use of shore-hoats, had been anchored there. I learned more astronomy in that instant than

ever had at school, The sentry and the watchman pulled me off the float. I was prery well daned; but got myself together in a

"Sure, an' ye are a lucky beggar," said the watchman. "What are ye gein' to do with hum, sintry?"

"Turn him ever to the sergeant of the goard, I suppose," said the sentry. "What were you trying to do, any-"I'm restricted," I said, "I was try-

ing to make a liberty. I haven't been off the island since pay-day." "Well, I don't know as I blame broken restrictions many times him- NOPSIS OF THE ANNUAL STA

started up Front street, pretty badly discouarged. I had Just missed my

best chance for gaining freedom. And I knew that I must run the gantlet of several more sentries before I reached the launch-landing, the next point from which it might be possible to get a boat.

of me. It was the officer of the day making his rounds. So he was to be added to my other troubles,

I had done watches over that post and thought I remembered all the ordees. I would make a bluff at it say-Way.

I walked boldly out in the street and lowerd the approaching footsteps, When about thirty pures distant. stepped, "Hait! Who's there?" distinction.

"Officer of the day," "Advance, officer of the day, with the countersten,"

He advanced. "Hait! Countersign!" I challenged numbic when the bad arrived within | ten parcess

"Custon" he said. Finally be furned away, and I saluted and started on taking off my Imitation belt as soon as I got out

I walked holdly enough now. I was hatted by several sentries, but mave them the countersian and was allowed

However, while I was nearing the launch-landing, a big white light coming up the stream suddenly gave me

inspiration. If was the Sebome, from San Franelsen, and from the curve she was making she evidently intended running dengalde the sea-wall in order to land.

construment of stores on the Island. The corporal of the guard, who just rome down from the guard-house stood near, langers in band, checking of the treight as it arrived.

Lavarehed my opportunity. At a moment of some little confusion I supper from my libling place to a point near the cases of goods, and then starte soldly up the gangway, hoping to be mistricon in the durkness for one of the worknien.

But my little plan didn't work Semuthing, or some one attracted the attention of the corporal of the games o me. He lef a whoop out of him like a Commete,

"Hait! Hey, there, you! Stop!" I was already half-way up the cane way. I didn't stop. How could P. I just combin't afford to be caught

A general court martial was the least I could expect!

I leaped up the gangway into the after compartment of the ship, and un another gangway to the upper deck. The corporal of the guard was right at my floots

I rushed to the port-rall, teaped over it, and landed again on the sea-wall. with a crush that well-nigh broke my

I scurried off in the durkness, As I passed in rear of the guard house I saw lights firsh in the relief rooms, and heard the excited hum of voices as the guard grabbed their rifles and belts. In thirty seconds would have half a hundred men hunts

ng me like a rabbit, A light bouned up ahead of me. It vas the light of my orderly box. I rushed up to it, lerked open the foor and sprang inside. Just there the telephone rung. I took up the re-
