ished a good share of the transportation with his big passenger bus. The music was furnished by the Heppner orchestra.
E. O. Neil, well known sheepman of Butter creek, was in town this morning getting ready for the shearing season. Mr. Neil thinks the wool crop will be of first quality this year and any reported advance in prices that materializes will be welcomed by the sheepmen.
Horace Yoakum, of upper Willow creek, is in town for a few days waiting for warmer weather. Mr. Yoakum and Sam E. Van Vactor join ranches in the wooded hills and when Horace comes to town the two hold many conferences about promoting agriculture in the high altitudes.

summer fallow plowed without hiring extra help and that helps some, says John.
C. L. Sweek returned from Portland Sunday after having taken his father, Lawrence Sweek, of Monument to the former city. The elder Mr. Sweek has been ill for several months and recently his condition became alarming and it was decided, as a last resort to take him to Portland for special treatment. C. L. says the trip out from Monument to Condon was a hard one, the roads being all but impassable and the local doctors feared that his father could not stand the trip. However upon reaching Arlington the old gentleman was feeling better and when C. L. left him Sunday morning the improvement was continuing. Dr. Bean, formerly located here, is in charge of the case in Portland.

HEPPNER LEXINGTON IONE

Andy Rood Jr. admired that little Ford roadster so long that he decided he couldn't get along without it so Charlie Latourel made still another sale the other day.

David Hynd was in from Sand Hollow this morning. The shearing crew is expected at the Hynd ranch the last of the week and Mr. Hynd says it is too cold for shearing comfortably.

"Spec" Aiken, of Heppner, was in town Sunday for the baseball game and was the main roofer for Ione. He was going around with his pockets turned inside out after the game and trying to sell his watch.—Condon Globe-Times.

C. L. Keithley, formerly in charge of forest work with headquarters in Heppner, was here from Walla Walla during the past week gathering up his mountain outfit ready for the season's work. Mr. Keithley was promoted last fall and transferred to Ione Saturday evening to attend a dance in the pavilion there and all report a fine time. Don Case furnished a good share of the transportation with his big passenger bus.

About 20 young people went to Ione Saturday evening to attend a dance in the pavilion there and all report a fine time. Don Case furnished a good share of the transportation with his big passenger bus.

H. W. Oliver and E. Altermatt, of Portland, were here Friday conferring with the county court regarding some road work on the Rhea creek market road. They are expert powder men and have just finished a satisfactory job of rock work at the junction of the Rhea creek market road and the Oregon-Washington highway.

Mr. Hayden former manager of the Tri-State Terminal Co. here, came up from Portland Wednesday. The company is closing out their grocery business here and at all other points where they formerly had grocery branches and will confine themselves to the grain and flour business in the future.

Mr. and Mrs. John Padberg were in from their wheat ranch Thursday. Mr. Padberg says he never saw such fine prospects for a bumper crop as this county now has and even if the price does not go very high the mending ought to be pretty good, thank you, next fall. By doubling up with his brother, Will Padberg, the two of them have managed to get their

WATER PERMIT ISSUED TO H. J. BIDDLE

The State Engineer's office has issued a permit to H. J. Biddle, of Ione, Oregon, covering the appropriation of water from Rhea creek for the irrigation of 14 1/2 acres in Morrow County. This development will necessitate the construction of three fourths of a mile of canal, and the construction cost is estimated at \$1600.
