Rev. W. H. Ames, of Portland, was a Boardman visitor Friday and Saturday in the interests of the local community church. He went on to Pilot Rock for Sunday services.

The High School play, "Safety First" presented last Saturday night was a real success thoroughly enjoyed by all present. Without doubt it was the best evening's entertainment offered the Boardman community this year. Each member of the cast carried their part well, and the dialogue was full of fun and the situations developed were very amusing. Difficulty in getting wise and other theatrical needs rendered the makeup rather difficult, but the omission was scarcely noticeable. The play was so much enjoyed that there has been some talk of repetition, but that is hardly advisable considering that the end of the school year is so near.

The Heppner High School glee club will give a concert at Hardman Saturday evening, May 7. Twelve clever entertainers will take part in the program which will include strictly new songs, sketches and dances. Miss Bernice Dufoe, instructor in music in the high school, will act as musical director and Jared Aiken is business manager of the organization.

Sam Hughes returned Tuesday from a trip to San Francisco where he attended a recent buyers' week celebration. Mr. Hughes says he had the time of his life as the guest of the big merchants of the Bay city and banquets, dinners and other forms of delightful entertainment came pretty regular. Mr. Hughes also visited relatives at Yreka and Weed, California on his return trip.

American Shrub Appreciated. One American shrub which has been received with great appreciation in England, and which grows well there, is the gorgeous flame azalea, called by the botanists azalea canadense. This plant was sent to Europe many years ago, and perhaps is not grown so widely now as it has been in the past, owing to the great influx of rhododendron varieties.
