USED TOYS NEEDED FOR NEAR EAST CHILDREN

State superintendent Churchill is sending out a letter to the superintendents of the state announcing that the Near Relief organization is asking the children of the state to send their discarded toys to the Near East Organization in each county in order that they may be forwarded to the relief ship that is to leave the Pacific coast in June.

There is vital need for something that will bring pleasure to the children in the near east. Thousands of orphan children after passing through unspeakable experiences, need toys to brighten up their cheerless lives.

Children of Oregon are asked to collect their used toys, such as blocks, paper dolls, kindergarten material, stuffed dolls, etc. and forward them to the near east organization in the different counties.

The Boy Scouts will canvass the town Thursday and collect all articles contributed for this worthy charity. Gifts of used clothing will also be gladly received and forwarded to the relief ship.

GEORGE MILLS WON LEWISTON TRACK MEET

George Mills, grandson of Mr. and Mrs. G. W. Swaggart of 815 Garden street and a nephew of Mrs. William Matlock has made a real record as a high school athlete at Lewiston. Young Mills, whose mother was formerly Elbry Swaggart, lives at Kamiah, Idaho, but is attending the Lewiston high school where he will graduate this June. In a recent track meet he ran the 50 yard dash in five and two fifths seconds, and likewise won out in a mile and a quarter race, finishing in six minutes.

The following story telling of George Mills' record is from the Kamiah paper.

At a field meet between the Lewiston and Colfax high schools last Friday, George Mills, of this place, was the highest point winner, his work enabling the Lewiston team to win the meet by a score of 76 to 55. George won five firsts and two seconds, with a total of 31 points. He was first in the 100 yard dash, the 220 yard dash, the 220 yard low hurdles, the quarter mile run and the broad jump; and second in the 110 yard high hurdles and the javelin throw.

Local relatives of the athlete are proud of the record he has made and Mrs. Swaggart, the grandmother, is planning to go to Lewiston for the commencement in June. Mr. and Mrs. Swaggart lost five grandchildren in the Heppner flood.—East Oregonian.

At Lexington last Friday evening commencement exercises were held at the high school when five young people completed the high school course and ten pupils were graduated from the eighth grade.

One of the best dances of the year was that given by the American Legion Saturday evening, closing the carnival week. A big crowd was present and every thing went off as smoothly as could be wished. Fine music was provided by the Heppner orchestra, altho somewhat handicapped by the failure of a banjo player to show up. No fault was found with the music at that and everybody reports a fine time.
