

WILL GO AFTER BUTTER CREEK BUNNIES

County Agent Calkins has arranged for another big rabbit drive to be held at the Sloan Thompson place on Butter creek some day this week. The exact date not having been named. While the rendezvous is in Umatilla county it is said that is where many of the rabbits come from that play such havoc with the crops on this side of the county line. People out that way declare there are actually million of bunnies and a record kill is expected to be made.

Two drives were held last week near the Kilkenny place and 6500 rabbits were killed.

Arch Barnard went down to the Lexington road camp Thursday on business.

FORD FORCES WON LAST SUNDAY'S SHOOT

Rabbit shooting was not quite so good last Sunday as it was a week earlier. The snow was crusted, the rabbits were wild and the weather was cold. Charlie Latourell's party prospered on adversity, however, and won the day with a score of 1072 rabbits to 864 tallied up by Captain Cook's Standard Oil boys. A dinner will be served the victors by the vanquished at an early date, the exact time and place not yet having been fixed.

A. Wilkinson returned to The Dalles this morning after a short visit with his family here. Mr. Wilkinson, who was formerly on the Heppner branch run, is now on the Dalles-Umatilla local run.
