The Eats That are TREATS We make it our business to sell meats for cats that are real treats. And we don't comply with the food laws because it is compulsory—we do it because we want, and expect to get good service and fair treatment from merchants and professional men with whom we deal, and because we know it is our business to sell only the best. For breakfast, lunch, or dinner we can supply your wants, no matter how elaborate or how conservative. We have arranged to fill all orders and would like to see your meat order.
