POLITICAL ANNOUNCEMENTS

FOR COUNTY COMMISSIONER

After being urged by citizens and taxpayers in all parts of the county to announce myself as a candidate for the nomination for County Commissioner, I have decided to do so and will be a candidate for such nomination on the Democratic ticket at the coming primaries. I have been a taxpayer here since before Morrow county was organized. I have no platform to announce nor promises to make only that, if elected, I will endeavor to serve the people of the county to the best of my ability.

FOR JOINT REPRESENTATIVE

I hereby announce my candidacy on the Republican ticket for Joint Representative of the District of Morrow and Umatilla counties in the May primaries. I have lived in Umatilla county 24 years and own property in both counties. I was a member of the 1919, or War Session, and the special session of 1920 of the Oregon Legislature and otherwise have devoted my time to public matters. I have no platform except to offer the best judgment I have and to pursue a conservative and economic course. I believe in applying strict business methods to public matters. When we can pay for public development we should have betterments, but when taxes grow burdensome we must be content with the old ways until we can do better. Just now taxes must be trimmed wherever possible and no new appropriations made; and the pressing needs of the farmer and stockman must be the main issue in law making and in the sphere of public influence.

The Eats That are TREATS

We make it our business to sell meats for eats that are real treats. And we don't comply with the food laws because it is compulsory—we do it because we want, and expect to get good service and fair treatment from merchants and professional men with whom we deal, and because we know it is our business to sell only the best.

For breakfast, lunch, or dinner we can supply your wants, no matter how elaborate or how conservative. We have arranged to fill all orders and would like to see your meat order.
