IRRIGON

Vane E. Jones reports having purchased the Beckley fourteen acres, just east of Irrigon on the highway, known as the old Dell Hinkle place. This together with the 26 acres Vane owns near Bailey puts him in the farming class right. He expects to put ten acres into early potatoes and some melons.

George J. Fredrickson, of Jullatto, Idaho, is here for a few days visiting his brother, Frank C. Fredrickson.

Rev. Dr. Allen, an old timer in Irrigon and who held down the pastor-

ate here when the church was finished, was an Irrigon visitor Saturday accompanied by Rev. Seeley, the home mission man in charge of this district, also Rev. B. F. Harper and Rev. Dr. Hayes, who is the regular pastor at Unapine, Oregon. Dr. Allen is now holding down one of the chairs at Whitman college, which position he has held since returning from the far east Siberia. A number of times it was reported that Dr. Allen had met the fate of many others, but there was no truth in these reports except that they had many hardships and other difficulties in their long stay there.

Merrill E. Doble went to Pendleton Friday on business matters, returning Sunday.

Mrs. Harry Lester arrived Saturday morning from Seattle and expects to make her home here for awhile.

The Union Pacific system is displaying their first Farm Marketing bulletin in the station this week. These will be regular things with the company in the future and are

the best of its kind. They give lists of agricultural products for sale and also list of agricultural products wanted. It brings the buyer and seller together and cuts out the profit takers. It does not show how many cars moved yesterday, this week or last year, but simply shows items for sale and items wanted. Ask the agent for further particulars and consult the list.

It is beginning to look as if we might get federal loans in the near future. The matter has been taken up by wire with Senator McNary and others and they report the release of loans is being recorded and the federal appraiser is expected soon.

The ladies society entertained everybody Valentine evening in Wadsworth hall. All sorts of old games were played and contests with prizes awarded for each series of such contests. Mrs. Wolfe and Miss Hazel Knight were the luck winners. Ice cream in the form of heart design and cake were served. Every one seemed to have a fine time.

The car of seed potatoes ordered early last fall, is expected in this week. These are coming from Worley, Idaho, and are supposed to be first class stuff.

The Eats That are TREATS
We make it our business to sell meats for eats that are real treats. And we don't comply with the food laws because it is compulsory—we do it because we want, and expect to get good service and fair treatment from merchants and professional men with whom we deal, and because we know it is our business to sell only the best.
For breakfast, lunch, or dinner we can supply your wants, no matter how elaborate or how conservative. We have arranged to fill all orders and would like to see your meat order.

POLITICAL ANNOUNCEMENTS

FOR COUNTY COMMISSIONER

After being urged by citizens and taxpayers in all parts of the county to announce myself as a candidate for the nomination for County Commissioner, I have decided to do so and will be a candidate for such nomination on the Democratic ticket at the coming primaries. I have been a taxpayer here since before Morrow county was organized. I have no platform to announce nor promises to make only that, if elected, I will endeavor to serve the people of the county to the best of my ability.

R. L. BENGÉ

FOR COMMISSIONER

I hereby announce myself as a candidate for the nomination to the office of County Commissioner, subject to the will of the Republicans of Morrow County, to be expressed at the primaries in May, 1922.

G. A. BLEAKMAN,

Present Incumbent. Hardman, Or. —Paid Advt.

FOR REPRESENTATIVE

I hereby announce myself as candidate for the office of Joint Representative of Umatilla and Morrow counties, on the Republican ticket. If elected I promise to faithfully and honestly perform the duties of the office, working at all time for the interests of the people of this district and the state of Oregon.

E. M. HULDEN.

FOR JOINT REPRESENTATIVE

I hereby announce my candidacy on the Republican ticket for Joint Representative of the District of Morrow and Umatilla counties in the May primaries. I have lived in Umatilla county 24 years and own property in both counties. I was a member of the 1918, or War Session, and the special session of 1920 of the Oregon Legislature and otherwise have devoted my time to public matters. I have no platform except to offer the best judgement I have and to pursue a conservative and economic course. I believe in applying strict business methods to public matters. When we can pay for public development we should have betterments, but when taxes grow burdensome we must be content with the old ways until we can do better. Just now taxes must be trimmed wherever possible and no new appropriations made; and, the pressing needs of the farmer and stockman must be the main issue in law making and in the sphere of public influence.

E. P. DODD, Hermiston, Or.
