IRRIGON

The Irrigon school entertained the community with patriotic exercises appropriate for Lincoln and Washington's birthdays on Tuesday evening. It consisted of dialogues, speaking, singing and various flag drills, each carefully selected for the occasion and lasted nearly two hours. The auditorium was filled to capacity and the large crowd showed every evidence of enjoying the entire program. Prof. Grover announced it was required by the state law to observe the days and he figured a joint program more satisfactory than two separate ones.

Miss Inez Benefield went to Walla Walla Wednesday for a short visit. M. F. Wadsworth is reported working on a new sign for his store to correspond with the new working arrangements in the near future. The arrival of an eleven pound son Wednesday necessitates a partnership agreement and the new sign. Cigars and candy are in order.

Mrs. C. E. Glasgow entertained the members of the Ladies Aid Society at her home on Washington's birthday. Singing patriotic songs and playing various games with refreshments made up a very pleasant afternoon.

Stanfield vs. Irrigon played a game of basketball in the Irrigon community gym Saturday evening, followed by a big dance after the game. Stanfield won by a score of 19 to 37 but our boys enjoyed the game nevertheless. Quite a crowd came from Stanfield and other places. Imanuel Hen-

drick assisted by others from Stanfield furnished the music for the occasion.

Mr. McCarthy is here for a short visit with his family.

The railroad company announces an effective March 1st, new system of insurance on baggage checked. It will afford the patrons of the company declaring value on their belongings to any amount they may consider their baggage worth, for which a fee of ten cents will be charged for every \$100 or fraction over \$100, allowed free without excess charges. The new arrangement will not change the usual free allowance of 150 pounds with each full ticket providing value does not exceed \$100 and the declaration of such value must be made in each case in writing when baggage is offered for checking. The new arrangement is a privilege of and exceptional value to the traveling public, and while new in this western territory, has been tried out on several of the eastern roads and passengers have been eager to take advantage of the privilege.

HARDMAN

The six week's examinations are in progress at the high school this week. The large dwelling on Main street formerly owned by Scott Osborne has been sold to Joe Howell.

There will be a barn dance at Jim Burnside's ranch Saturday evening, February 25th. Quite a good many from Hardman are invited.

Glenn Hadley gave a dance for his Hardman friends and others at his home near Hardman last Saturday evening. All reported a good time.

The home of Gaylord Ingram caught fire recently but was put out before much damage was done.

There was a debate recently on the abolishment of capital punishment between the Senior and Sophomore English classes. The decision went to the Seniors who represented the affirmative side.

Political Announcements

FOR COUNTY COMMISSIONER

After being urged by citizens and taxpayers in all parts of the county to announce myself as a candidate for the nomination for County Commissioner, I have decided to do so and will be a candidate for such nomination on the Democratic ticket at the coming primaries. I have been a taxpayer here since before Morrow county was organized. I have no platform to announce nor promises to make only that, if elected, I will endeavor to serve the people of the county to the best of my ability.

FOR REPRESENTATIVE

FOR JOINT REPRESENTATIVE

I hereby announce my candidacy on the Republican ticket for Joint Representative of the District of Morrow and Umatilla counties in the May primaries. I have lived in Umatilla county 24 years and own property in both counties. I was a member of the 1919, or War Session, and the special session of 1920 of the Oregon Legislature and otherwise have devoted my time to public matters. I have no platform except to offer the best judgement I have and to pursue a conservative and economic course. I believe in applying strict business methods to public matters. When we can pay for public development we should have betterments, but when taxes grow burdensome we must be content with the old ways until we can do better. Just now taxes must be trimmed wherever possible and no new appropriations made; and, the pressing needs of the farmer and stockman must be the main issue in law making and in the sphere of public influence.
