# You Can Save

#### Do You?

If your income averages \$1000.00 per year you would probably be able to live on that comfortably. If your income increased to \$2,000.00 per year that would probably seem a bare sufficiency. But what has become of the extra \$1,000? If you can live on \$1,000.00 per year you can save money on \$2,000.00 per year.

### Do You Do It?
