#### KU KLUX FIGHT SINNOTT

Anti-Catholic feeling is behind the opposition to the re-election of Congressman N. J. Sinnott in the Second Congressional District, the Eastern Oregon district. As a congressman Sinnott has made good in a manner that is peculiarly satisfactory to his constituents, and besides that he has attained a standing in Congress that has caused him to be discussed extensively as of cabinet caliber. The only criticism against Sinnott is that he is, or is supposed to be a Catholic. So the Ku Klux Klan and all the old-time anti-Catholic organizers are busy. James H. Gwinn of Pendleton, a strong candidate because of his excellent reputation for energy and enterprise, is the opposing candidate and has this anti-Catholic backing. But there are too many people in eastern Oregon who are indifferent as to a man's religion, believing it to be his own business, for the anti-Sinnott effort to attain any formidable proportions. In spite of his great popularity it is doubtful whether Gwinn can carry his own home town against Sinnott. James Harvey Graham of Baker, a realty operator, is as usual after the democratic nomination. His name is getting some good advertising as a result of his regular running for Congress, so much so that if Eastern Oregon should ever go democratic in a landslide Graham might get to be a congressman for a term.—Oregon Voter.

## The Eats That are TREATS

We make it our business to sell meats for eats that are real treats. And we don't comply with the food laws because it is compulsory—we do it because we want, and expect to get good service and fair treatment from merchants and professional men with whom we deal, and because we know it is our business to sell only the best.

For breakfast, lunch, or dinner we can supply your wants, no matter how elaborate or how conservative. We have arranged to fill all orders and would like to see your meat order.

FOR JOINT REPRESENTATIVE  
I hereby announce my candidacy on the Republican ticket for Joint Representative of the District of Morrow and Umatilla counties in the May primaries. I have lived in Umatilla county 24 years and own property in both counties. I was a member of the 1919, or War Session, and the special session of 1920 of the Oregon Legislature and otherwise have devoted my time to public matters. I have no platform except to offer the best judgment I have and to pursue a conservative and economic course. I believe in applying strict business methods to public matters. When we can pay for public development we should have betterments, but when taxes grow burdensome we must be content with the old ways until we can do better. Just now taxes must be trimmed wherever possible and no new appropriations made; and, the pressing needs of the farmer and stockman must be the main issue in law making and in the sphere of public influence.
