OLCOTT AND HALL ARE NECK AND NECK IN RACE

GOVERNOR REPORTED 4 AHEAD EARLY THIS MORNING

Light Vote Cast Here. Hulden Runs Strong Here But Loses In Umatilla

The battle between Olcott and Hall for the Republican nomination for governor remains unsettled. Early this morning Olcott was four votes ahead of his opponent with several eastern Oregon counties incomplete.

Sinnott, McArthur and Hawley were all re-nominated for Congress. Gwinn defeated Sinnott in Umatilla county but lost out in the district. A. J. Smith defeated his three opponents for joint representative in this district. E. M. Hulden received a splendid vote in Morrow county but lost out in Umatilla where Smith, with the endorsement of the Ku Klux Klan, ran strong.

HEPPNER POST TO DINE EX-SERVICE MEN OF CO.

DINNER TO BE GIVEN NEXT SATURDAY EVENING

Members of Lone and Boardman Posts Will Be Here as Special Guests

Officers and members of Heppner Post, No. 87, American Legion, will be hosts to members of the Legion posts of Boardman and Lone and all ex-service men in the county regardless of membership in the Legion, at a chicken dinner at the Elkhorn restaurant next Saturday evening, May 27th, according to an announcement made by Captain James F. Cook, post commander.

This occasion is intended as a get-together meeting of all doughboys, gobs and devil dogs in the county and the menu is guaranteed to be unsurpassed by even a memory of bully beef of hardtack, the place of these old war time delicacies being filled with real chicken in such quantities as will also fill to repletion the tummies of all hosts and guests present.

The occasion promises to be a gala affair and a most cordial invitation is extended to every ex-service man in the county, whether a member of the Legion or not, to be present. The only credentials required are previous military or naval service for Uncle Sam and a whaling good appetite. All expenses of the evening are borne by Heppner Post.

Following the dinner a business meeting of the post will be held and when the business is disposed of the meeting will doubtless be open for every fellow present to tell the biggest war story on record—if he can. (Note—The man that tells his story last will have a decided advantage.)

CONDON TEAM WILL BRING THEIR BAND ALONG

The Condon ball team are stepping lively this year and will bring their band with them to the ball game series here next Monday and Tuesday. The band is a good one and will add to the interest of the games. Members of the band will also put on a minstrel show here Tuesday evening that is said to be some show. Everybody should buy tickets to the ball games. The music will be worth the price, making the games free.

ARLINGTON WON BY ONE SCORE IN SUNDAY GAME

It was nobodys' game last Sunday day when the Arlington and Heppner teams clashed on the local diamond until the last wag of the umpires signal. The weather was nasty fa cold, gusty wind sweeping the field by fits and starts but in spite of that both teams played good ball. In the early stages the visitors led, in mid-innings Heppner overcame their lead but in the closing cantos the Alkali boys swatted Moeller pretty hard and when they finished in the ninth they had a lead of one which Heppner failed to even. The score was 7 to 8 in favor of Arlington and it may be fairly said that the visitors earned every score they made. The trouble was that Montague pitched his usual game while Moeller was a bit off his usual good form.

Wilcraft, Heppner's kid player, was the star in Sunday's tangle. "Wil" handled right field like a veteran, making three phenomenal catches under difficulties. He also swatted out a three-bagger that was worth money. Aiken, another young player, made good on first and swatted out a good two-bagger at a time Heppner needed it most.

The crowd was light because of the threatening weather and the boys need strong support from the fans next Monday and Tuesday to keep their treasury out of the red.

A fire was started last Wednesday evening at the home of E. E. Gilliam when a small boy accidentally set some bedding on fire. When he was unable to put it out himself, he did the next best thing by running for help and the flames were soon extinguished. The damage was slight.
