WHEAT GROWERS ELECT DELEGATES TO PORTLAND  
Members of the Oregon Cooperative Grain Growers association of Morrow county held their annual meeting last Saturday when delegates to represent this county at the state convention at Portland June 16th were chosen.  
A total of 93 votes were cast at Saturday's meeting with the following result:  
Howard Anderson, of Heppner, 74.  
Ralph Bengé, of Heppner, 44.  
Joe Devine, of Lexington, 46.  
Jeff Jones of Heppner, 32.  
H. M. Olden, of Ione, 41.  
Henry Smouse, of Ione 40.

Anderson, Devine and Bengé having received the highest number of votes, were declared elected to attend the Portland meeting where the board of directors for the association shall be elected to serve for the ensuing year.  
Morrow county has had two directors the past year but may have only one the coming year for the reason that a new district in the Willamette valley has been able to show a sufficient bushelage to entitle it to a director.  
Members of the association who were here Saturday expressed themselves as well pleased with the success of the organization during its first year of existence.  
Bob Alstott jr. who operates a big wheat ranch in Eightmile, was a visitor in town Sunday evening.
