CECIL

Harold Ahat, government trapper, spent the week end in the Ione district.

W. G. Hynd and brother Dave, of Sand Hollow, spent the week end with friends in Ceell.

Walter Pope and J. Peterson, of The Willows, were looking up their friends around Ceell on Sunday.

Mr. and Mrs. H. U. Tyler and children, of Rhea, and also Mr. and Mrs. Zenath Logan, of Fourmile, were visitors at the home of Mr. and Mrs. Everett Logan in Ceell on Sunday.

Miss Eleanor Furney and her pupils of the Ceell school gave a short program at the closing of their school Friday evening which was thoroughly enjoyed by a large number of friends.

After the program, through the absence of the chairman, Mr. A. Henricksen filled the vacancy with honors

and a gettignful evening was spent. The young people enjoying themselves immensely with all sorts of games. Ice cream, cakes and coffee were served during the evening.

Miss Furney left on the local Saturday morning for Pendleton. The Dalles and Portland to visit with friends before going on to her home at Astoria.

We offer our congratulations to Mildred Duncan and Jackie Hynd who succeeded in winning their eighth grade diplomas.

Ray Rogers and Burrel Gurdane accompanied by Misses Odile Groshen and Isabel Wilson all from Heppner, made a short visit with Mrs. T. H. Lowe at The Highway House on Sunday, before leaving for Arlington.

The ladies were taking lessons on "How to Shoot Squirrels with both eyes open." We heard the gentlemen declare that they will give no more lessons this season for by the time they reached home they were quite exhausted and were certainly wiser but sadder men.

G CONDON WON YESTERDAY'S GAME

Yesterday was a losing day for the Heppner ball team. They lost the umpire; they lost their pitcher, who got a broken arm; they lost the game to Condon to a 6-13 score. Wise ones say it will be different today. A new pitcher arrived last evening.

Mr. and Mrs. James Carter have returned from Pendleton where he recently underwent an operation for mastoid trouble which was entirely successful. Mr. and Mrs. Carter speak in highest terms of the skill of Dr. Boyden who performed the operation and of the care and attention given the patient by the sister nurses of St. Anthony hospital.

The Eats That are TREATS

We make it our business to sell meats for eats that are real treats. And we don't comply with the food laws because it is compulsory—we do it because we want, and expect to get good service and fair treatment from merchants and professional men with whom we deal, and because we know it is our business to sell only the best.

For breakfast, lunch, or dinner we can supply your wants, no matter how elaborate or how conservative. We have arranged to fill all orders and would like to see your meat order.

Our half dollars will build a greater Oregon

IF EVERY resident of Oregon diverted 50 cents a day of his or her present normal expenditure to the purchase of Oregon-made products the immediate result would be:

25,000 more people employed in Oregon industries.

\$30,000,000 increase in annual payrolls of the state

\$120,000,000 increase in yearly output of Oregon factories.

Insist upon Oregon-made products. They successfully compete with the world's best.

Buy Oregon-made goods on MERIT. Our half dollars will build a greater Oregon.

Send for directory of products manufactured in Oregon. Refer to it when you make your purchases

Buy from merchants who display this sign.

Merchants who display this sign recommend Oregon Quality goods. They guarantee the merchandise they sell. They are community upbuilders. They merit your patronage.

20,994 MILES AND TREAD ONLY 1/3 WORN

MOST MILES per DOLLAR

Firestone CORD TIRES

The tire section above at the left shows the condition of a Firestone 33x4 1/2 Cord Tire after 20,994 miles on a Yellow Cab in Chicago.

The section at the right was cut from a new Cord of the same size. Careful measurements show that only 1/3 of the tread of the tire on the Yellow Cab has been worn away after this long, gruelling test. The carcass is intact after more than 11,000,000 revolutions.

Firestone Cords have averaged over 10,000 miles on Chicago Yellow Cabs (1,200 cabs all Firestone equipped). In thousands of instances, they have given from 15,000 to 30,000 miles.

\$10.65 Plus Tax
30 x 3 size \$8.95
New Price Plus Tax Effective May 20

Look at the tread—scientifically angled against skid, massive

and heavy in the center where the wear comes, tapered at the edges to make steering easy and to protect the carcass against destructive hinging action of high tread edges. The carcass is air bag expanded to insure uniform tension and paralleling of every individual cord. It is double "gum dipped" to make sure that each cord is thoroughly insulated with rubber.

This is the reason why Firestone Cords unflinchingly deliver extraordinary mileage. It explains the unanimous demand of thoughtful tire buyers for these values. The local Firestone dealer will continue to provide the personal service that makes Firestone tire comfort and economy complete.
