

E. G. Haverstick was in from Rhea creek Friday driving the little old Hudson car that has been his boon companion for the past 11 years. Mr. Haverstick has a collection of license plates on the car that he has accumulated within the past few years and says he is sorry he did not save all of them since 1911. Thinks they would be of some value now if only for old metal. The old car, Mr. Haverstick estimates, has carried him more than 150,000 miles and six years ago, while looking for a location, himself and wife drove it 3,000 miles through Washington,

Oregon and Idaho within three months. He says even the Hudson people don't build any more such cars as it, these days. F. M. Broady, who lived for 17 years in this county near Morgan, was in town for a few days last week from Wallewa, where he has been residing for the past three years. Mr. Broady is engaged in the dairy and small farm business at Wallewa and likes the country. It is a fine climate in summer he says, and no worse than plenty of other parts of the country in the winter time.

Added to this there is a personal service. Our officers are on duty day after day, not only that you may receive helpful service from our equipment, but also the advantages of their time, experience and personal attention.
