FACTS ABOUT THE CHILDREN'S FARM HOME

The farm just purchased for the Children's Farm Home consists of 245 acres, located three and one-half miles northeast of Corvallis, on the gravelled highway which will be hard surfaced in the very near future. A gravel road leads to the farm buildings which are a few rods from the highway against a pretty background of trees.

Farm consists of 80 acres of upland tilled, silt loam, cleared; eighty acres of bottom land, sandy loam, cleared; eighty acres pasture and timber. Five acres lake. Has been examined and passed by O. A. C. soil experts. All under high cultivation and well fertilized. Crops have been rotated for years.

Purchase price \$200.00 per acre Total purchase price \$49,000.00. Terms for payment good and can be met by good business management which the Board pledges.

Buildings in good repair. Farm house, 26x34; modern equipment; small house for employees; dairy barn 36x90; dairy barn 72x80; tile silo 13x45; stave silo 14x30. Two poultry houses, machinery shed, milk and pump houses, two good drilled wells. Pressure water system. Electrically equipped. Pasture ordinarily last through the entire summer.

Individuals and organizations are invited and urged to pay for one or more acres, each. Such as do this will have their names placed in permanent roll of honor in Administration building.

ADA WALLACE UNRUH, 412-13 Stock Exchange Building, Cor. 3rd and Yamhill Sts., Portland.

The Dark Cloud. It is not surprising that clouds come in for more or less criticism. They live high, are often dissipated, and can usually be classed with the wets.

GILLIAM & BISBEE'S COLUMN

Come and get the county agent's machine for the dry treatment of your seed wheat with copper carbonate. The work is done perfectly and economically. Get your order in early as it takes some time to make one.

We have sold all kinds of grain drills but have decided that the Kentucky Double Run feed is the best suited for this territory. Come in and look them over for yourself.

The Revolving Rod Weeder are the ones that get the weeds.

If you are going to use the dry treatment for your seed wheat you cannot afford to pass up the Calkins machine.
