WOMEN IN POLITICS

Madras has recently nominated a woman for mayor and three women for vacant places on the city council and the pioneer says they will probably be elected. The Madras Pioneer recently closed a newspaper subscription salesmanship campaign similar to the one now being conducted by the Heppner Herald with such success that it is said every family in Jefferson county are now readers of the Pioneer and the enlightenment thus brought about, so it is claimed by the women of that town, accounts for the entry of the women into politics and their hearty endorsement by the men folks. It's hard to tell what may happen in Heppner before the election is over.
