**CHRISTMAS SEAL DRIVE TO DECEMBER FIRST**

The fifteenth annual sale of Christmas seals by the Oregon Tuberculosis association, will be launched throughout the state December first and continue throughout the month, closing Christmas eve. Never before has the state been so well organized, from the most remote rural district through its school or settlement, down to the large cities, and for that reason the most successful campaign in the history of the organization is anticipated.

Mrs. Saldie Orr-Dunbar, executive secretary of the association, who has spent much time throughout the state during the past two months, setting up the organization, says of the value of the work: "I want to call attention to the people of the state to the fact that in 1904 of every 100,000 deaths occurring were due to tuberculosis and that in 1921 only 100 of every 100,000 deaths were due to this disease. Is this saving worthy of the continued support of the people of the state? The answer in past years has been a boost for a healthier Oregon by means of a liberal purchase of seals. The purchase must be liberal, as our budget for all of our work throughout the state for the coming year is \$49,000 and our only source of income is the sale of seals at a penny apiece."

County, city and village agents for this part of the state have been assigned as follows:  
Gilliam county—Mrs. Clay Clark, Reading club, Arlington; Mrs. T. A. Weinke, reading club, Condon; Mrs. Belle Keys, Macville; Miss Georgia Perry, Lone Rock.
