CANT "FAFULLY ABuckle COME BACK?

After three years' absence, Comet Arithmetic has returned on the $10,000 in the general public, and in spite of that credit to the general public, the magazine has not a paid copy of papers in circulation and of those that have been sold, it is reported that the circulation is not increasing. It is, therefore, the hope of the Editors of the HEPNER HERALD to retain the old subscribers and to attract new ones.

WILLAMETTE UNIVERSITY PEPSI-COLAS SKEWED OVER TOP

The "pep" contest between the "peps" of the Willamette faculty and the "peps" of the Willamette students, which was held last week, was a success. The faculty won, but the students took home the trophy.

NEW YEAR'S DAY

The weather was fine and the people were out in force. The Willamette students had a good time.

NEW YEAR'S GUN

The system of shooting and lighting fireworks, which has been done in Willamette, will be continued next year.
