THE UNIVERSAL CAR

ANNOUNCEMENT

OF INTEREST TO

MILLIONS OF FAMILIES

"I WILL BUILD A CAR FOR THE MULTITUDE"

SAID HENRY FORD IN 1903. READ HOW THE FULFILLMENT OF THAT PROPHECY IS NOW MADE POSSIBLE THROUGH THE

Ford Weekly Purchase Plan

For many years it has been Henry Ford's personal ambition to make the Ford the universal family car—to put within the reach of the millions of people who have never been privileged to enjoy the benefits of motor car ownership.

During the past fifteen years over 7,500,000 Ford cars have been placed in the hands of retail customers—more than a million and a half of them within the past twelve months—and yet there are still millions of families who are hopefully looking forward to the day when they can own a Ford.

And now the way is open.

Under the terms of this plan you can select your

Ford car, set aside a small amount each week and you will be surprised how soon you will own it. In the meantime your money will be safely deposited to your credit in one of the local banks where it will draw interest.

Think it over. Five dollars will start an account. The whole family can participate in it.—Father, Mother, brothers and sisters each do in a little.

Why not start today? Stop in and talk it over with your local Ford dealer. He will be glad to fully explain the details of the plan and help you get started toward the ownership of a Ford Car.

IONE

Ione, May 6.—Mrs. J. M. Lundy was visiting in Ione on Monday.

Mrs. Chas. Anderson was in town several times this week taking treatment for an ailment with which she has been afflicted for the past two years.

Mr. and Mrs. Edw. Buschke were looking after business matters in town on Monday.

Willard Blake was in from his ranch on Friday.

Willard Farrans of Monument is visiting in Ione with his family.

R. A. Farrans and family were in the city on Friday night.

The ladies of the Congregational Aid Society gave a "stocking supper" at the home of Mrs. Louis Balsinger at her farm home on Friday evening. It was a very enjoyable affair and well attended.

F. H. Haley and family of Heppner were dinner guests of Mr. and Mrs. L. E. Dick on Sunday evening.

The Umatilla Baptist association held its annual meeting here this week. Athens was named as the next meeting place. The time of the gathering will be the first Tuesday in May, 1924. At that time the

Rev. W. W. Davis of Hermiston will the doctrinal sermon will be delivered by the Rev. Mobley of Adams. J. T. Lieullen was elected to succeed W. R. Storms as moderator.

W. R. Storms has completed his ministry in the Baptist church here and will leave soon on a vacation.

Mr. and Mrs. C. M. Schriver, accompanied by their son and daughter, Clyde and Vesper, and Miss Evelyn Patton, drove to The Dalles last Sunday to attend the Eastern Oregon convention of the Christian Endeavor. They attended the morning and afternoon sessions and returned in the evening.

The American Legion is again conducting the motion picture show and plans soon to have a special show, the proceeds of which will go to the Graves endowment fund.

A number of new cement walks are being laid and the old walks are torn out in a number of places where more new walks will be laid in the near future.

Several parties left on Saturday for the Deschutes river where they expect to spend Sunday fishing.

Farmers from all parts of the county report wheat doing fine with prospects of a big yield. Some damage was done by cut worms to late sown grain earlier in the season but only in restricted districts.

MUSIC HOUSE STARTS MAKING ALTERATIONS

A change of name and extensive repairs to their business home on Main street have been announced by the owners of the Warren Music House of Pendleton. The new name of the business concern will be the Pendleton Music House, and the repairs to the ubuilding will begin within a short time. The owners of the firm are A. B. Robertson, E. J. Scellars and Jack Mulligan, local manager.

Hard wood floors will be laid in the room, the balcony that now runs across the front part of the room will be torn out and a new balcony built in the rear of the room. A long aisle will run back to the rear of the store, and on one side will be record racks and phonograph display rooms, and on the other side the space will be given over to piano displays.

"We had hoped to get started on these repairs several months ago," Mr. Mulligan stated, "but we had not renewed our lease at that time, so the work was held up."

LARGE GROWERS JOIN WOOL GROUP

Three hundred new members have joined the Pacific Co-operative Wool Growers this spring. These men represent approximately 75,000 sheep and were attracted to the association by the high prices obtained by its members during the 1922 season. A number of large range sheep owners of eastern Oregon who have watched the association's progress closely for the past two years this year joined the association and will market their wool graded and in an orderly manner.

A significant feature which has no doubt interested new members in joining is the fact that prices received for fine and medium wool last year through the association are still several cents higher per pound than the peak outside prices thus far paid in the northwest during the current season. During 1922 a number of choice range clips in the association brought from 43 to 46 cents per pound, while valley fine staple wools brought over 49 cents. The association last year sold a carload of wool for the highest price received for wools in the entire northwest when it received 52 cents a pound for a carload of fine southern Oregon.—Producer.

CERTIFIED SEED POTATOES

Netted Gem seed potatoes, certified stock, may be had at the Morrow Co road machinery shed in Heppner at \$2.75 per sack. These are part of the seed secured by the county at Weston. See Sherman Shaw, custodian, or call at county agent's office.
By Order County Court.

FOREST NEWS FROM THE GURDANE DISTRICT

The snow stakes recorded about half as much snow in the mountains the last of April as they did a month earlier. On the head of Big Butte creek snow remains only in heavy timber and in protected places. At the stake on the head of Ditch creek the snow has decreased from forty inches to twenty-two during the month. Along the Heppner-Ritter road from the coal mines to the summit the depth is from two to three feet and is packed and heavy. The ground is not frozen and the bulk of the moisture is going into the soil, with a promise of a good grazing season. Grass along the foot hills is the best in many seasons.

Rangers Groom, Woods and Clisby have the telephone line maintained up Willow creek as far as the Van Vactor summer home. As fast as the snow permits all of the lines leading into the forest will be repaired.

RAILROAD TRAINMEN ENGAGE IN WAR

An altercation between Conductor Chas. Ebi and brakeman Willis resulted in a fight on Gale street last Thursday evening in which Mr. Ebi sustained a broken nose and other injuries. The men were arrested and Willis was fined \$15.00.

According to information gathered around the depot Willis, who was a new man on the run, failed to do his work properly and Conductor Ebi finally reported him to the trainmaster. This enraged Willis and the attack followed. Willis left town soon after paying his fine and Ebi has been laying off for a few days for repairs.
