School Days

Which Boy Will "Bat First?"

Hello Boys!

In the old days, when your dads were boys, they played "one o'cat" or "town ball" just as you play base ball today and while the "gang" waited for the game to start your dad and some pal grabbed a bat and matched, hand over hand, to see who'd "bat first."

Which boy will "bat first" in the game of life after school days are over? It will be the boy who, even in his school days, had a definite object in life and pursued that object in a systematic way.

One of the most important things for the boy or girl who wants to "bat first" is to start a Savings Account at the Bank--acquire habits of thrift and system.

Our Savings Department is designed to help every Morrow County child to be a "first batter" in later life.

If you want to start life on a foundation of Thrift, with Ultimate Success the goal, come in and let us explain our Savings Account System. It will pay you.
