

**PAUL HISLER PASSES;
FUNERAL HERE SUNDAY**

Paul Hisler, one of the old time residents of Morrow county, passed away at Portland Thursday evening, Sept. 20, at the age of 51 years.

Mr. Hisler had been in failing health for more than two years and had spent the greater part of the last year in Portland where he was under the care of a specialist in tubercular diseases. His condition, while serious, was not considered critical until Thursday evening when he was attacked by a violent hemorrhage and death resulted in a few minutes.

Mr. Hisler was a native of Alsace-Lorraine, having been born in that country September 22, 1872.

He came to America in 1890 when a boy of 18 and located at Heppner where he soon engaged in the sheep business in which he was successful. He retired from active business several years ago and has since resided in Heppner still retaining his fine ranch in the Butte creek country.

In February, 1906, he was married to Miss Minnie McCullough who passed away in 1910.

He is survived by two children, Marguerite aged 16 and Paul aged 15, an aged mother who resides in France and one sister, Mrs. Helen Groshen McCullough, who as a girl of 15 accompanied him to this country.

The body was brought to Heppner for burial, the funeral being held Sunday afternoon at the First Christian church, Rev. W. O. Livingstone conducting the service.

**NEW PROPRIETOR IN
CHARGE HOTEL HEPPNER**

W. E. Bell, new proprietor of Hotel Heppner arrived Thursday with Mr. Foley and the final transfer of the Foley interest in the property was made to Mr. Bell, that gentleman taking charge of the hotel Friday morning.

Mr. Bell is not inclined to be superstitious and the fact that he took charge on Friday and that 13 guests registered on that day in no wise disturbed him.

Mr. Bell has been connected with the Osborne hotel at Eugene for a couple of years in the capacity of chief clerk and is well spoken of by the traveling public as a high class

hotel man.

Mr. Bell will be assisted in the office by his daughter, who has been employed in a similar capacity at the Osborne for a year or so, and his son will handle the night clerk's job.

**NEW MINISTER AT METHODIST
COMMUNITY CHURCH**

Rev. F. R. Spaulding has been appointed to the pastorate of the Heppner Methodist Community church and took up his duties here last Sunday.

His daughter, Miss Mary Spaulding has been engaged as teacher in district 34 and he has one son in high school.

It is understood that the Federated church is being dissolved and the church will hereafter be known as the Methodist Community church.

**NEW TURKEY WHITE WHEAT
TO BE SHOWN BY STATION**

Portland grain quotations are a puzzle to most persons who know that turkey red is one of the best milling wheats for Oregon. Many farmers think that because that excellent variety is so largely grown buyers take advantage of the large supply as a talking point in lowering the price. Buyers on the other hand say they want the hard, dark turkey but are not so keen about the poorer classes. They point out that most of the export demand is for white wheat.

Turkey red is the best yielding and best paying variety for the dry farm lands of the Columbia basin, but the experiment station grain men have been looking for a white wheat with turkey milling qualities equally hardy and non shattering.

Several varieties were obtained from Kansas last year and tried out in the nursery at the Burns station under severe conditions. Of the varieties tried, 18 winter killed and several came through with promise. One of these will be shown for the first time in the experiment station show at the Oregon state fair. Special provision is being made by Secretary Currey to keep this valuable seed in a place guaranteeing its safety from theft and fire.

If successful, the new wheat will make possible complete standardization in eastern Oregon of white wheat, high yielding and good in quality.

RESOLUTIONS OF RESPECT

Whereas, it has pleased God, in His wisdom, to call from his earthly labor our highly esteemed brother, Coe D. Barnard, of Fossil, Oregon, and,

Whereas, Brother Barnard was a faithful member of this lodge for years, a consistent and upright Elk, it is fitting that we, members of Heppner Lodge No. 358, Benevolent and Protective Order of Elks, make fraternal and merited acknowledgement and record of the high esteem and fraternal love in which we hold him.

Resolved, that while we humbly bow to the decree of the Exalted Ruler of the Universe we are filled with sorrow at the passing of our brother.

Brother Barnard was a true Elk and the virtues and principles for which the order stands were truly

exemplified in his daily life than which no higher eulogy can be pronounced.

To the widow and children and close relatives of our departed brother we extend sincerest sympathy and condolence.

Resolved, that a copy of these resolutions be spread upon the records of this Lodge, a copy be transmitted to the widow of the deceased

and copies furnished the local press for publication.
