SPRING

WILL FORM OWN POULTRY ASS'N

Chicken Familers and Those Interested in Raising of Poultry Meet on Tuesday Evening.

The Gazette Times is informed by President Goethals of the Montana--Conecussion Poultry Association that there are several presidents in various Montana counties who have added the raising of poultry to their list of important items. This industry is growing fast over this part of the state and there is a possibility of forming a Montana poultry association in the near future.

A meeting is called for Tuesday evening at the corner of the four corners at 7:30. We are informed that several members of this association will be in attendance at the meeting and the members are urged to attend.

COOKING REVOLUTION,

A Word About Paper-Bag Cookery

It is not an experiment, but a proved success. Cookery Bags replace pots and pans, save time, labor and odors.

1. Many every dish more savoury and nutritious.
2. Easiest--all food weighs practically the same when it comes from the oven.
3. Labor-saving--no cleaning of pots.
5. Odorless--no smell of cooking.
