Birthday Party.

The home of Mr. and Mrs. M. D. Clark was the scene of a gathering of happy children on the 13th inst., the occasion being the birthday of Miss Mary, the eldest daughter of the household. A very delightful time was had and Mary received beautiful gifts of perfumed handkerchiefs. After playing various games a delicious lunch was served in the dining room, the table being ornamented with a large birthday cake as a centerpiece. Miss Quick entertained the children with a delightful story and Miss Gladys Lane helped to chaperone the little ones. Those present besides Mary and Marjory Clark were: Cora Mae Crawford, Fay Carter, Ethel Thompson, Lovell Lucas, Ethel Mikeshell, Bernice Sigbee, Ruth French, Austin Smith, Stanley Minor, Frankie Gentry, Baird Patterson, Ellis Irwin, Harold Case, Agnes Feldman, Willetta Barratt and Evelyn Humphreys.

WILL CELEBRATE JULY 3 AND 4

Heppner Preparing For Big Time. \$1000 Will Be Raised; Two Days Enjoyment For People of County.

A meeting of citizens and business men of Heppner was held at the Council Chambers on Monday evening to discuss the proposition of a celebration for Heppner on July 4.

W. W. Smead was elected temporary chairman and presided.

After some talks by different business men it was unanimously decided to celebrate, and arrangements looking to that end were made.

An executive committee, consisting of Sam E. Van Vactor, chairman, T. J. Mahoney, Frank Gilliam, O. P. Hendriksen and J. L. Wilkins was appointed, also a committee to solicit funds.

At least \$1000 is to be raised and two days of a jolly, old-fashioned celebration provided for. There will be fun for everybody and Morrow county is going to be Heppner's guest on these days.

We hope to give fuller particulars in next issue by which time more definite arrangements will have been made.

STAY ON THE JOB.

Don't Let Approching Season Keep You From Winning a Prize.

State Superintendent L. R. Alderman has addressed a letter to the boys and girls of Oregon who have decided to grow some garden produce, raise some chickens, or pigs, or sew, cook or carpenter for their local fairs or the state fair, in connection with the great state wide series of agricultural and industrial contests this year. The young people are reminded that their schools are closing, a hot and tempting summer is approaching, and that the rewards both in prizes and in good habit cultivation will continue as big as they are now although the number of contestants to claim them may grow smaller. In his letter the state superintendent says:

"Your schools are now closing and many of you will hear the call of the swimming pool and the shady woods. I hope you respond to these calls of nature with a right good will but do not forget your gardens and your pigs and poultry. If you forget your gardens, the calves, and chickens, or your little brothers and sisters are likely to disturb them. If you neglect your pigs they will squeal on you. Stand by the work you have started. The number of contestants may grow smaller but the value of the prizes will grow greater, for with those little lambs, goats, and pigs to be given for the best vegetables are getting more glossy, and that thousand dollars in cash is looming up like the mountains of Midas. At least \$20,000 in cash and merchandise will be given in prizes to the boys and girls of Oregon this year.

"Perhaps you would like to hear what the schools in the other counties are doing. You may easily guess this from the fact that there are to be over 85 children's fairs. By county the number already reported to my office is as follows:

Baker 1, Benton 1, Clackamas 10, Clatsop 1, Columbia 2, Coos and Curry 1, Crook 2, Douglas 6, Gilliam 1, Grant 1, Harney 1, Hood River 1, Jackson 1, Josephine 1, Klamath 1, Lake 1, Lane 7, Lincoln 1, Linn 3, Malheur 1, Marion 2, Morrow 1, Multnomah 2, Polk 1, Sherman 1, Tillamook 2, Umatilla 7, Union 7, Wallowa 1, Wasco 1, Washington 3, Wheeler 3, Yamhill 1.

"We think there will be several others but the first reports show the above as certain. From the middle of August to the middle of October, the work of boys and girls will be the center of attraction at these fairs. Isn't this a fine race? Now that you are fairly into the game show your grit and stick to it to the end."

HEPPNER HIGH COMMENCEMENT

Graduation of Class of Eight at Christian Church Tomorrow Night. "Mr. Bob" on Last Evening.

This has been a busy week for teachers and pupils of the local school. Preparations have been going on for weeks, in fact, getting ready for the graduating exercises, preparing exams and performing various other stunts incumbent on teachers and pupils at the close of the school year.

The week was begun by services at the M. E. church on last Sunday morning, at which time the baccalaureate sermon was preached by the pastor, Rev. W. A. Pratt, to a large congregation. This was a splendid oration from the text "I Find no Fault in this Man," an illustration of perfection from the life of Christ. Rev. Pratt sustained his subject well and made many striking points, appropriate not only to the graduates, but to all those present, as well. A choir of six rendered some excellent music for the occasion, and Mrs. Boyden presided at the piano. The church was beautifully decorated for the event by the Juniors.

On last evening, "Class Night" the graduates presented "Mr. Bob" to a good house at the Star theatre. The cast consisted entirely of the members of the 1912 class and considering all they had on hands during the past few weeks, they did well and are entitled to much credit.

The program for tomorrow evening will be presented at the Christian church and will be free to the public. It is as follows:

The Demons of the Swamp are mosquitoes. As they sting they put deadly malaria germs in the blood. Then follow the icy chills and the fires of fever. The appetite flies and the strength fails; also malaria paves the way for deadly typhoid. But Electric Bitters kill and cast out the malaria germs from the blood; give you a fine appetite and renew your strength. "After long suffering," wrote Wm. Fretwell, of Lucama, N. C., "three bottles drove all the malaria from my system, and I've had good health ever since." Best for all stomach, liver and kidney ills. 50 cts. at Slocum Drug Co.
