A water spout struck with a heavy downpour at the farm of M. J. Devin in Sand Hollow yesterday afternoon. Chicken houses, pig pens and a portion of the barn was washed away and considerable damage done to grain. The spout had the effect of raising Hinton creek and a large quantity of water passed by Heppner as a result. Damage to roads is reported but no serious loss can be chronicled at this time. It is reported that the water was at least 15 feet deep in the gully where it passed the Devin place.

Dr. Bowden was immediately called from town and brought Mr. Carty to the hospital where he was treated for a few days and returned home on Monday. It was a close call and Mr. Carty has no desire to repeat the experience.

### The Big Show.

On July 1 Kit Carson's Buffalo Ranch Wild West Shows will exhibit at Heppner afternoon and night. This is the largest amusement of its character in the world. Solid trains of their own, double length cars are required for the transportation of this colossal attraction. Never before have so many features been combined under one management. The Acrobats for instance is but one of the strange sights to be seen with this exhibition. Not a model but a Curtis-Farnum Aeroplane furnished by the Chicago Aeroplane Manufacturing Co., and guaranteed to give flights daily. It will circle the city and alight at show grounds for the public's inspection.

A Menagerie of trained wild animals is also an innovation with a wild west show. Elephants Camels, Buffalo and on down to the smaller species of birds and quadrupeds. A two mile street pageant glittering with gold and silver, will delight the eye and exquisite music of the three big bands will please the lovers of harmony.

Coming as we do from the largest ranch in the world, we carry nothing but the very best of riders and ropers and guarantee to ride any horse or mule free of charge if brought to the show grounds and offer a reward if we fail. The Cossacks with the show were selected from the Czar's cavalry in Russia and are without doubt the finest horsemen in the world. Then there are the Rough Riders from the plains of South America, Vanquers from Old Mexico, champion lady riders of the world, imported European Novelty acts of every description, bands of Sioux, Cheyenne and Comanche Indians with their picturesque squaws and papooses. A dozen comic clowns in fun and foolishness. In fact two hours will be required to present the program and you will leave the show grounds a true friend and earnest advocate of Kit Carson's Buffalo Ranch Wild West. But don't forget the date. Two performances only on July 1 at Heppner.
