NEW SCHOOLHOUSE CARRIES BY BIG VOTE

Bond Issue of \$40,000 is Authorized. Total Vote Cast, 243.

For the past three weeks Heppner has been somewhat agitated over the proposition to bond School District No. 1 in the sum of \$40,000 to construct a new school house.

There were many who opposed the bond issue and they put up a pretty strong fight in support of their side of the question, and for this they are not to be censured as they were no doubt animated by honest convictions. On the other hand those favoring a new building were just as earnest in support of their side of the question, and a lively little battle was carried on.

The election came off on Tuesday afternoon, a large vote being cast.

The question was divided into two propositions for the voters to decide. One authorizing the directors to purchase the necessary building site and the other providing funds necessary to purchase site and erect a school house by bonding the district in the sum of \$40,000.

The election passed off very quietly. One of the noticeable features being the interest manifested by the women of the district who turned out in large numbers to register their votes in favor of the proposition, and was no doubt largely due to their interest that the election went so strongly in favor of the new school house.

The vote stood on purchase of site: Yes, 190; No, 52. On bonding the district, Yes, 188; No, 55.

This is an endorsement of the new school house that is very gratifying, indeed and it gives us pleasure to announce to the outside world that Heppner is still on the map and is ready to take a step in the line of progression that will mean much for the future of our city. There is not thing that could add more to our credit than this move.

Hail Injures Crops.

About 2500 acres of fine grain were destroyed Wednesday afternoon by hail. Comparatively speaking the storm covered only a small area but where it did strike it was extremely severe. Hailstones the size of eggs were numerous and many were larger while the wind made the damage much more than it would have been otherwise. Where the storm struck in full force the grain was battered into the ground, chickens were killed and much stock severely injured. It is estimated that Parman Bros. are the heaviest losers, having had 750 acres of fine grain totally destroyed. Other heavy losers are Phil Starr, W. N. Brown, Earl Froman, W. O. Echols, Claud Edwards, S. B. Barker, and possibly several others. Hans West and Wm. Gross lost a few acres. Parman Bros. expect to save about 700 tons of hay from the path of the storm and it is probable that the others will also be able to get some hay although in some instances the grain was beaten too badly to even make good hay. In the remembrance of the old-timers this is the second hail storm of any consequence.—Condon Globe.

EIGHT MILE.

Martin Johnson is a frequent visitor in Eight Mile these nice summer days. C. D. and Ed Huston bought from M. Humphrey a few work horses last week.

Frank and Howard Anderson ordered a new Best Combine the first of the week.

Miss Hilma Bergstrom was sewing for Miss Addie Anderson the first of the week.

The summer fallow wheat in Eight Mile will yield from 35 to 50 bushels per acre.

C. E. Jones and M. Ashbaur attended the farmers meeting at Heppner last Saturday.

Claud Keithley is building a fine house on his wheat ranch on the head of Eight Mile.

A fine rain we had last Sunday, although it hindered C. E. Jones from heading his early oats.

Ben Anderson left last week for a few weeks visit with his brother, Ed, in Wallowa. But we suppose he will call at Hood River also.

IONE'S TOURNAMENT NOT A SUCCESS.

Slow Games and small Attendance are the Three Days' Features.

The baseball tournament held at Ione on Monday, Tuesday and Wednesday of last week was not a success. This is due to the fact that the management was disappointed at the last minute in securing outside teams to participate. Heppner did not intend to send a team to the "Chicken city" but upon being made a liberal offer Manager Maddock scraped together a bunch of pick-ups and went down to carry away the prize money.

The first day resulted in a close and interesting game. The score was 7 to 5 in Ione's favor. This game was one big surprise to the Heppner fans, for they had no other idea than that Ione would win easily, for they had been putting in some hard practice. Hatt and Hale, of Heppner did the feature hitting in this game.

On the second day much slower ball was played, the score being 9 to 10 in favor of Ione. The game on the third day was called off in the 5th inning with the score of 1 to 0 for Ione.

There is very little doubt that Heppner would have won the series had it been possible to have sent all of the regular team down. Rhea and Reed "came back" on the second day and made a good battery for Heppner. Sperry and Cushman was Ione's battery. Olin Hayes of this city officiated as umpire and gave satisfaction.

What Makes a Woman?

One hundred and twenty pounds, more or less, of bone and muscle don't make a woman. It is a good foundation. Put into it health and strength and she may rule a kingdom. But that's just what Electric Bitters give her. Thousands bless them for overcoming fainting and dizzy spells and for dispelling weakness, nervousness, backache and tired listless, worn out feeling. "Electric Bitters have done me a world of good," writes Eliza Paul, Depew, Okla. "and I thank you with all my heart for making such a good medicine." Only 50c. Guaranteed by Sloan Drug Co.

Good Time Enjoyed at Annual School Meeting.

Hardman, Ore., July 2, 1912.

To the Gazette-Times:

At the annual school meeting, held June 27, some of the people of District No. 51, acting on the suggestion given by Eupt. Noonan, brought their dinners and had a very nice little picnic. Still others came after noon and all enjoyed themselves visiting.

During the meeting it was suggested that we have a box social to raise money to paint the inside of the school house, which is certainly needed, and any money which might be left over when this was accomplished to go into a fund which is being collected to purchase an organ.

All were agreeably surprised at the result; the social being on the evening of the 29th, giving short time for preparation, but nearly everybody in the district came which shows that an interest is taken in the school. \$30.19 was cleared from the sale of the baskets and a fishing pond, the children, especially, enjoying the latter, as did also a few of the grown-ups.

If any one wants pins, needles or buttons, ask K. M. or G. C. for them.

Mr. Severance brought his phonograph which furnished entertainment. All seemed to enjoy themselves. It is rumored there is to be another social later on, and here's hoping.

This school is sometimes known as the Burton Valley school.
