Portland on Monday to take in the  
city during the Elks convention.

W. B. Potter came over from Spray  
on Saturday and departed on Monday  
for Portland to join the Elks herd.

R. J. Carner, of Spray, was among  
the Elks that left Heppner Monday to  
join in the festivities down at Port-  
land.

Rev. W. A. Pratt exchanged pulpits  
with Rev. Hargreaves at Musier on  
Sunday preaching for the federated  
church at that point.

Mr. and Mrs. S. E. Van Vactor and  
Mr. and Mrs. T. J. Mahoney departed  
Saturday for Portland to be in the  
city during Elks' week.

Many Elks departed from Heppner  
on Saturday and Monday to take in  
the big Convention down at Portland.  
The town is pretty much deserted.

**Jerseys to Sell**—I have some  
choice young Jersey milch cows for  
sale at ranch one mile below Rhea  
Siding. Address O. L. Lundell,  
Arlington, Ore., for further particu-  
lars.

Bill Hendrix was in town on Mon-  
day looking for beta on the presiden-  
tial election. Like a good republi-  
can, Bill is going to support Wilson  
and free soap, having forgotten the  
good old Cleveland days.

Jess Kirk is quite seriously ill at  
the Heppner sanatorium suffering from  
a bad case of appendicitis. His life  
was despaired of for several days but  
at this time he is greatly improved.

W. H. Cecil, of Ontario, Oregon,  
spent the Fourth with old-time friends  
at Heppner. Mr. Cecil is a native of  
Morrow county, having been born on  
the old farm at Cecil. He is now  
running a big alfalfa ranch near On-  
tario. He says that the first 4th of  
July he spent in Heppner was at the  
time of the Bannock war in 1878. He  
left this section a good many years  
ago, and notes that many changes  
have taken place during his absence.

Dan Rice was in from his ranch  
near Hardman on Saturday. He ex-  
hibited some samples of bluestem  
wheat that reveal the fact that his  
crop will not be up to expectations by  
about half. The straw is fine but  
the heads have not filled and the grain  
seems to be badly blighted. Mr. Rice  
thinks the blight is the effect of frost  
that struck their section, all other  
conditions for finely developed wheat  
have been ideal.

If you are a housewife you cannot  
reasonably hope to be healthy or beau-  
tiful by washing dishes, sweeping and  
doing housework all day, and crawling  
into bed dead tired at night. You  
must get out into the open air and sun-  
light. If you do this every day and  
keep your stomach and bowels in good  
order by taking Chamberlain's Tablets  
when needed, you should become both  
healthy and beautiful. For sale by  
Patterson & Son.

W. H. Dutton and friend, Victor  
R. Finch left for Portland on Monday  
after having spent a week of vacation  
in Heppner. Mr. Finch is one of the  
chief clerks in the Portland postoffice  
while W. H. is a part of the O.-W.  
R. & N. machinery and holds a posi-  
tion in the office of J. W. Morrow.

Ed Huston was a visitor from Eight  
Mile on Monday, and states that it  
will be some days yet before heading  
begins in his locality. The cool, wet  
weather has kept grain back but it is  
filling well and a few days of warm  
weather will cause it to ripen fast  
enough.

Rev. Hargreaves, of Hood River,  
addressed a mass meeting of the  
churches in Heppner on Sunday after-  
noon in the interests of federation.  
He is pastor of the federated church  
at Mosier, is an intelligent speaker,  
and his address was well received.

Buy it now. Chamberlain's Colic,  
Cholera and Diarrhoea Remedy is  
almost certain to be needed before the  
summer is over. Buy it now and be  
prepared for such an emergency. For  
sale by Patterson & Son.

It may be to your interest to get  
my prices before buying watches,  
clocks or jewelry. C. R. Johnson,  
Jeweler.

Miss Lulu Oamers, who has been  
visiting for the past month at the  
home of Mrs. Arthur Smith in Hepp-  
ner, departed on Monday for Lewiston,  
Idaho.

the blood. At all drug stores \$1.00

Walla on Saturday where he will

Hunt company.

the heat of baking by buying your

wheat and rye. Nothing better than  
our cream loaf.

departed on Monday morning for their  
home in Portland after holding ser-  
vices at the Christian church in this  
city the past week.

sengers to Portland on Saturday. Mr.  
Spencer is the delegate of Heppner  
Lodge No. 358, B. P. O. E. to the  
national convention of the order.

Levi Hansford was in from the  
Minor range on Monday, resting up.  
He has been pretty badly knocked out  
by a severe attack of rheumatism  
lately but thinks if we can only get  
some summer wether he will rapidly  
recover.

Oscar Borg and wife were among  
those who departed for Portland on  
Saturday morning, and will spend the  
week in the metropolis. There will  
be a family reunion at the Peter Borg  
home and all members of the family  
will be present.

Isaac Large of Monument, was in  
town over night Thursday. Mr.  
Large was bound for Lonerock and

Spray Conrier.
