FUNERAL DIRECTOR  
and  
PRACTICAL EMBALMER

### FROM OVER THE STATE.

A rural conference that will deal with all phases of farm life will be held at the Oregon Agricultural College this fall. Dates have not been set yet, due to desire to avoid possible conflicts with other state gatherings.

The farm home will be studied at the coming conference. It is expected to have excursions run from various parts of the state, bringing representative farmers in large numbers. Experts on rural problems will talk and teachers and clergymen will give suggestions as to how country life may be made more pleasant and profitable.

The gathering is being arranged by Prof. Ralph D. Hetzel, director of extension at the college and he hopes to make it comprehensive in scope and expects the results will be helpful.

Oregon has contributed the tallest flag pole in the world to the Panama-Pacific Exposition. The stick measures 25 feet in height and was sent to the Astoria Centennial last Summer. The pole was stowed in a log raft and taken to San Francisco. Portland people have promised a flag, 50 x 100 feet in size to fly from this big staff.

Picking of the Rogue River Valley fruit crop is now under way and it is the biggest in the history of this famous section. It is estimated there will be from 125 to 150 cars of pears shipped this season and from 500 to 600 cars of apples, all of fine quality.

Investigations without end have been directed at rural life and the end is not yet, but now comes the Government with its announced intention of muckraking the cities, and they need it more than the country ever did. A survey is to be made of urban life with a view of solving some of the problems that are found in every municipality. A government official who passed through Portland the past week told of the plan and says a great municipal exhibit will probably be gathered for the Panama-Pacific Exposition.

A small forest of fruit trees has been donated by members of the Nurserymen's Association of the Pacific Coast as special prizes to be given at the Pacific Northwest Land Products show. The trees will be kept in good condition by the nurserymen and delivered upon the order of the management of the land show at planting time next Spring.

Flax will make quite a showing this year in Oregon, according to reports from those sections where the crop has been planted. Plantings made in the Willamette Valley last spring are looking exceptionally well and experts say it is as good flax as is usually seen. It is believed there is a great future in the Pacific Northwest for the flax industry. About 5,000 acres have been planted to this crop this year.

Can't look well, eat well, or feel well with impure blood. Keep the blood pure with Burdock Blood Bitters. Eat simply take exercise keep clean and, good health is pretty sure to follow. \$1.00 a bottle.

Lightning struck in several places on the ranch of George Sperry out at Sanford during the recent storm and he suffered the loss of a fine cow that attracted the force of a heavy bolt. His range was hit at various points by hail but the loss was inconsiderate.

Hives, eczema, itch or salt rheum sets you crazy. Can't bear the touch of your clothing. Doan's Ointment is fine for skin itching. All druggists sell it, 50c a box.

Cecil T. Humphreys departed for the Willamette Valley this morning to join his family who have been visiting with relatives down that way for the past three weeks. He will be absent a couple of weeks.

"My child was burned terribly about the face, neck and chest. I applied Dr. Thomas' Electric Oil. The pain ceased, and the child sank into a restful sleep."—Mrs. Nancy M. Hanson, Hamburg, N. Y.

Carpenter Hill has this week completed a new walk around the Palace Hotel on Main and May streets, and has also built in new steps to the various entrances of the building, all of which adds much to the appearance of the building.

Mrs. J. H. Cox and daughter Vivian left for Portland on Monday morning. Mrs. Cox will be absent but a short time while Miss Cox expects to remain away for the balance of the month on her vacation.

### Exposition of Eugenics.

The State Fair Board has appropriated \$500.00 this year to cover premiums and expenses of a department to be called the "Exposition of Eugenics," to be held at the State Fair, Salem, week of September 2nd-7th.

This will be a showing of children under four years of age, at which physical perfection rather than doll-like beauty will be the standard. Certain medical standards of weights and measurements will be used, and every child compared with these standards and approach to perfection will be figured on a percentage basis. A corps of well known women physicians will make the test, at the same time pointing out to the mother the strong and weak points in the child's makeup.

A "Child's Welfare Exhibit" under the auspices of the Oregon Mothers' Congress and the Oregon State Grange will be made a part of the Exposition of Eugenics, at which all the approved methods of handling babies, their food, clothing, and other features will be demonstrated daily by trained nurses.

Children will be shown in the following classes:

**BOY**—Over 6 months and under 2 years, 1st \$25 cup; 2nd \$10 cup; 3rd \$5 cup. Over 2 years and under 3 years, 1st \$25 cup; 2nd \$10 cup; 3rd \$5 cup. Over 3 years and under 4 years, 1st \$25 cup; 2nd \$10 cup; 3rd \$5 cup.

**GIRL**—Over 6 months and under 2 years, 1st \$25 cup; 2nd \$10 cup; 3rd \$5 cup. Over 2 years and under 3 years, 1st \$25 cup; 2nd \$10 cup; 3rd \$5 cup. Over 3 years and under 4 years, 1st \$25 cup; 2nd \$10 cup; 3rd \$5 cup.

Grand Champion Boy, \$50.00 Cup. Grand Champion Girl, \$50.00 Cup.

Your Commercial Club or Grange is requested to interest itself in a preliminary Show along these lines and after selecting the best boy and best girl in its community the babies and mothers are to be sent to Salem as representatives of your town or section, with their expenses paid by your organization. The sending of a boy or girl to the State Fair who was afterwards determined by a corps of noted physicians to be the best in the State of Oregon, would attract more attention to that locality than thousands of dollars spent in advertising.

Many towns in various parts of Oregon have signified their intention of entering this Contest—put yours on the map by holding a preliminary Show. Any child may be brought to Salem direct without having been entered in a preliminary show.

### The Trials of a Traveler.

"I am a traveling salesman," writes E. E. Young, E. Berkshire, Vt., "and was often troubled with constipation and indigestion till I began to use Dr. King's New Life Pills, which I found an excellent remedy." For all stomach, liver or kidney troubles there is nothing better. Only 25 cents at Slocum Drug Co.

### M. E. Church South.

The services for next Sunday will be as follows: Sunday School at 10 a. m. Preaching at 11 a. m. and 8 p. m. by Rev. H. S. Shangle, Presiding Elder, of Oregon District. A meeting of all members of the church Sunday afternoon at 2 o'clock. These are the last services of the Conference year, and everybody is cordially invited to come. We have been with you for the past three years. Our purpose has been to help everybody, and if we have offended any one, it has been of the head, not of the heart. We could not subscribe to everything that people do, but every man has a soul. God hates sin, but loves the sinner. We leave next Monday or Tuesday for Troy Idaho, the seat of our conference. If we should not return we say goodbye to all, but friends shall we indulge the hope that we may meet you in heaven's pure world where sorrow and death can never come. We can truly say we love you all, and we are loath to leave you. Let us all come together Sunday and have a good day. E. P. Warren, Pastor.

### Are Ever at War.

There are two things everlastingly at war, joy and piles. But Budoklin's Arinca Salve will banish piles. It soon subdues the itching, irritation, inflammation or swelling. It gives comfort, invites joy. Greatest healer of burns, boils, ulcers, cuts, bruises, eczema, scalds, pimples, skin eruptions. Only 25 cts at Slocum Drug Co.

Dr. Winnard has taken a special course on eye diseases and is prepared to fit glasses properly.
