

"MAIL ORDER" Cream Separators

When you buy a cream separator you want the best machine you can get for the money, don't you? Well, then, just listen to this proposition:

Before you order a "mail order" separator write to the concern and tell them that you want to try their machine out against a De Laval, with the privilege of sending their machine back if you decide that the De Laval is better worth what we ask you for it than their machine is worth what they ask.

That's absolutely fair, isn't it?

We'll be glad to furnish you a De Laval for such a trial any time you like and let you be the judge.

We are glad to make this offer because we know that the De Laval will give you better service and cost you less in the long run than any other machine you can buy, no matter what the price.

If you already have a mail order separator, or any other for that matter, which isn't giving satisfaction, we have an exchange offer that we believe will interest you.

Before you buy a Cream Separator see and try a DE LAVAL

Better than Spanking
Spanking will not cure children of wetting the bed, because it is not a habit but a dangerous disease. The C. H. Rowan Drug Co., Dept. 1471, Chicago, Ill., have discovered a strictly harmless remedy for this distressing disease and to make known its merits they will send a 50c package securely wrapped and prepaid Absolutely Free to any reader of The Gazette-Times. This remedy also cures frequent desires to urinate and inability to control urine during the night or day in young or old. The C. H. Rowan Drug Co. is an Old Reliable House; write to them today for the free medicine. Cure the afflicted members of your family, then tell your neighbors and friends about this remedy.

SAND HOLLOW.

Several began cutting rye last week. Mr. Coppock is cutting wheat hav. Nice gentle rains the first of the week.

Mr. Coppock is down visiting his son Frank.

R. B. Rice is making hay out of his volunteer wheat.

W. L. Copenhagen went to Salem last week on business.

We heard the Holt Company have sold the 'Orndoff' place.

Several in this community are looking for cooks for harvest.

Miss Winnie Smith is home after a year at the Monmouth Normal.

John and Esther Miller, who have been in school in Salem came home last week.

Miss Minta Pettijohn has gone to Webb Ranch to help her mother during harvest.

The men working on the telephone line between Echo and Heppner were at O. S. Hodedon's several nights last week.

A month ago there was a basket dinner at Hodedon's school house and as all had such a good time they have planned to have another on July 13. All come.

The Sunday School has ordered Union S. S. literature which will be here for July 6th. Everybody come and take part in the work and help elect officers for the coming year.

The second wire has been added to the Sand Hollow and Lexington telephone line with a switch at Mr. Barnett's store, which gives the lower line service six days in the week at "store hours" only.

IRRIGON NOTES.

The river is falling rapidly and is again within its proper bounds.

W. R. Walpole departed for Portland last Sunday to visit Mrs. Walpole and children.

A large number of Hermiston people were down here during the last two weeks to pick cherries.

The cherry season is over now but Oh you dewberries. There will be a big crop of them. Apricots will follow close after.

Mr. Harry Lester is clerking for Mr. Egbert now. Business in the soda pop and root beer line is rushing and it keeps Harry busy to hand out the goods.

A number of baseball fans went to Umatilla last Sunday to see the Hermiston-Umatilla game. They say there was nothing to it—Hermiston winning with hands down 9 to 4.

T. J. George returned from a trip to Idaho where he had been to look after some land deal. During his absence Mrs. George had the misfortune to run a sliver under her finger nail past the first joint. She went to Pendleton to have the Dr. take it out.

CECIL.

Mr. and Mrs. Boyd Logan were visiting several days at R. E. Montague's the past week.

Mr. and Mrs. Carl Farnsworth of Rhea's Siding went to Heppner last week to remain until after harvest.

James H. Montague and family spent Sunday with Mrs. Montague's father, J. S. Miller who resides near here.

T. L. Duesmair of The Dalles, representing the Pacific Home Insurance Co. was a business visitor in Cecil Saturday.

Bryan Lee, half brother to N. E. Lee returned to his home at Dallas Oregon, Saturday last after spending couple of months here.

J. W. Osborn was a passenger to Arlington Tuesday. Mr. Osborn still has on hand about 4000 sacks of wheat for sale in the Warehouse at Cecil.

Miss Viola Shea of Pendleton spent several days at the home of W. B. Ewing the past week. Miss Shea taught Mr. Ewing's private school the past winter and spring.

The fine rains of the past week have been a great benefit to the growing grain and all vegetation. However some alfalfa hay yet in the fields was damaged to a slight extent.

Peter Nash, Jr. of Moro, Ore. came up last week for a few days visit with relatives and friends here. Mr. Nash was principal of the Moro schools the past year and will fill the same position the coming year.

Mrs. Miller and little son of Pendleton are spending the week end at Mr. and Mrs. Franklin's on what was formerly the Rogers place. Mr. and Mrs. Miller are the present owners of the place and Mr. Franklin's lessee.

A jolly party of ten ladies and children from Cecil spent Sunday at the old Sennett place on Eight Mile. The day was a trifle threatening but otherwise ideal for picnicking, altho a few showers fell it did not dampen the ardor of the crowd and a good time was had by all. It has been twelve years since the writer visited the old homestead and what has transpired in a decade causes me to realize more vividly just how old Rip Van Winkle felt when he awoke from his twenty year's slumber.
