R. W. ROBISON.

A large concourse of people, residents of Morrow county attended the funeral services at the cemetery near Hardman last Sunday of R. W. Robison, one of Morrow county's prominent citizens. After a hymn at the house by the Christian Church choir the funeral cortege wended its way to the cemetery at Hardman.

The services at the grave were conducted by M. L. Case of Heppner. The choir rendered several hymns.

Mr. J. D. Stavens of Portland, in a short address dwelt on the many virtues of the deceased and spoke feelingly of his many good qualities. A prayer by Mr. Frank Barlow, a friend and neighbor closed the tribute and the audience dispersed sorrowfully to their homes.

Mr. Robison was born in McNary County Tenn., May 13th, 1852. Mr. Robison a lad of 10, was within a few miles of Shiloh during that battle and distinctly remembered the booming of cannon and roar of musketry. An older brother was killed during that campaign.

From his home he went in '73 to Arkansas and after a residence of three years there moved to Missouri near Springfield. A lapse of two years found him still moving westward to Kansas, Harper county, and in May '85 started overland for Oregon, where, the same year with his family and teams he stopped at Eight Mile, camping in the fields near his present home where his family now resides.

During the first years of Mr. Robison's residence in Morrow county he had a hard struggle but his courageous will and cheerful temper surmounted any and all obstacles and his life has been an exemplary one that can, with profit be patterned.

Mr. Robison has been postmaster at Eight Mile for ten years, and his home has been the center of meeting in the neighborhood. A man of cheerful disposition, fine intelligence, open heartedness and general good will to all, he will be missed as few others. The county has lost one of its best and noblest citizens.

He is survived by a widow and seven children, Montie, Tyndall, Lotus, Mrs. Ollie Cox, Mrs. Mamie Shamheart, Walter Robison and Mrs. Josephine Chappell, and eight grandchildren.

FINED FOR SPEEDING.

Ed. Steward, one of Heppner's leading mechanics and chuffers took a load of fans to the ball game at Condon last Sunday and just after coming within the city limits did not see the "slow down" sign and consequently was fined \$25. He doesn't deny the fact that he was exceeding the speed limit at the time, but he says that the sign board was inverted to such an extent that one could not read it until he was past. In fact a driver must be coming out of town before he can read the sign directly in front of him. He also states that there were several Gilliam county automobilists who were traveling faster than he. If they are not fined he will start suit for his \$25.

County Fair Board Organizes—Committees are Appointed.

A meeting of the Morrow County Fair Board was held on Wednesday of last week for the purpose of organization and the appointment of committees to take up the work of the coming county fair. There was a full attendance of the board present. W. E. Leach was chosen president and W. W. Smead, secretary of the board, and the following committees were named:

Finance—J. L. Wilkins, M. D. Clark, D. C. Gurdne, A. M. Phelps, D. A. McAtee.

Premium Book—O. P. Hendricson, W. G. Scott, W. O. Minor, J. A. Waters, L. B. Kicker.

Entertainment and Program—S. E. Notson, John Vaughn, Mrs. C. E. Woodson, Mrs. Vawter Crawford, C. C. Patterson.

The Board have secured an appropriation of \$830 from the County Court to add to the sum appropriated by the state, and this gives them a fund of \$1500 to begin with. To this will be added at least \$1000 more by the citizens and business men of Heppner, which will give assurance of sufficient money to carry out all the plans of the Board for a successful fair.

The time of holding the fair will be announced as soon as the Board can get the schedule of other county fairs, so that there will be no conflict of dates.

A Fine Dairy Herd.

It was the pleasure of the G-T editor to spend a few hours some days ago at the farm home of Mr. and Mrs. E. M. Shutt on lower Rhea creek, and to be treated to a very elegant dinner of fried chicken and fresh garden vegetables.

Mr. Shutt is getting nicely started in the dairy business and now has a herd of some thirty cows. He is raising Holsteins, principally, and will shortly be milking a number of fresh cows of this stock. His little herd contains some very excellent cows now and he is planning to breed them up to the highest standard as he owns one of the best sires to be had in the country.

The first crop of alfalfa is up in good shape and the second is coming on rapidly. With an abundance of water all the year, Mr. Shutt has no fears of crop shortages, and his idea of raising lots of hogs, chickens, turkeys and ducks along with good dairy stock is bound to put him ahead and spells for him abundant success.

H. A. Zehring departed last Thursday morning for Valley points. He will spend his vacation of three weeks with his family who have been down there for some time.
