DAYS. ALL PACKAGES AND PARCELS TO  
GO OUT ON THIS ROUTE SHOULD BE LEFT  
AT THE OFFICE WHERE THEY CAN BE  
WAY-BILLED.

**Better than Spanking**  
Spanking will not cure children of  
wetting the bed, because it is not  
a habit but a dangerous disease. The  
C. H. Rowan Drug Co., Dept. 1471,  
Chicago, Ill., have discovered a strict-  
ly harmless remedy for this distress-  
ing disease and to make known its  
merits they will send a 50c package  
securely wrapped and prepaid Absolu-  
tely Free to any reader of The  
Gazette-Times. This remedy also  
cures frequent desires to urinate and  
inability to control urine during the  
night or day in young or old. The  
C. H. Rowan Drug Co. is an Old  
Reliable House; write to them today  
for the free medicine. Cure the  
afflicted members of your family, then  
tell your neighbors and friends about  
this remedy.

**BUMPER CROPS EVERY-  
WHERE THIS YEAR!**

**Yield Exceptionally Large  
and Quality Exception-  
ally Good.**

From all sections of the State,  
Eastern, Central and Western alike,  
do we get this splendid report. This  
optimism is justified.  
Therefore our exhibits at the East-  
ern Land Shows this fall should be of  
such character as to properly represent  
this general crop. Communities  
should be keen and eager to set forth  
specimens in the Oregon State Exhibit  
representing the possibilities and fer-  
tility of their sections. Some com-  
munities have not specified their in-  
tention of sending anything. In jus-  
tice to the exhibit to the section and  
to the state there should be at least a  
few choice specimens from each local-  
ity.  
Preparations must not be left until  
the last minute. You must keep this  
in mind and be prepared to send us  
good exhibits when asked.  
If you have not written to us before  
do not fail to do so now. We are  
eager to be of every possible assist-  
ance—simply command us when we  
can co-operate with you in any way.  
Enthusiastically yours,  
C. C. CHAPMAN,  
Oregon State Immigration Agent.

**JUMPS 1000 FEET IN  
SAFETY FROM AEROPLANE**

Airmen are beginning to pay more  
attention to safety devices than was  
the case in the early history of avi-  
ation and new devices for insuring the  
stability of aeroplanes, for protecting  
the airman against injury in case of  
accident, and for descending in safety  
from a crippled or unmanageable  
machine are being developed through-  
out the world.  
A spectacular test of one of the  
new safety devices was made in Cal-  
ifornia on June 20, and is described  
in the August Popular Mechanics  
Magazine. A young woman jumped  
from an aeroplane at a height of more  
than 1,000 ft. and landed safely on  
earth without the slightest injury.  
The apparatus she used is known as a  
"safety pack". It is a parachute of  
very thin but strong silk fastened to a  
mesh made of Italian hamo and so  
folded into a canvas case that it opens  
at the slightest pull. The entire pack  
weighs but 11 lbs. and is designed to  
be attached to the shoulders of the  
airman or his passenger, ready for in-  
stant use.

**DEVELOPMENT WORK  
TO BE CONTINUED**

That the policy of the Portland  
Commercial Club to continue the cam-  
paign of the farm development  
throughout the state is in high favor  
with the business interests of the city  
is evidenced by the fact that among  
property owners of Portland the present  
campaign has met with more  
prompt and favorable support than any  
movement of like nature that has  
been conducted in the past.  
A few weeks ago the Commercial  
Club set out to raise a fund of \$150,-  
000. to be expended in development  
work throughout Oregon during the  
next three years and so successful has  
been the effort that at the present  
time the fund is well above the \$100,-  
000 mark and it is believed by those  
having the campaign in charge that  
the full sum will be pledged within  
the next month. In the list of those  
who have given definite sums are 160  
firms and individuals representing  
virtually every branch of business  
activity in the city.

**Heppner Witnesses.**

The Names of Heppner Persons  
Familiar to All.  
Who are the witnesses?  
They are Heppner people—  
Residents of Heppner, who have  
had kidney backache, kidney ills,  
bladder ills; who have used Doan's  
Kidney Pills. These witnesses en-  
dorse Doan's.  
One Heppner resident who speaks  
is E. L. Berry, of Main St.  
Says Mr. Berry: "My kidneys were  
weak and my back was so painful that  
I was obliged to walk all stooped  
over. One box of Doan's Kidney  
Pills made a cure. During the past  
few years there has been no sign of  
the trouble."  
If your back aches—if your kidneys  
bother you, don't simply ask for a  
kidney remedy—ask distinctly for  
Doan's Kidney Pills, the same that  
Mr. Berry had—the remedy backed by  
home testimony. 50c all stores.  
Foster Milburn Co., Props., Buffalo,  
N. Y.

leave money with your orders. Orders left  
either at yard or with Slocum Drug Co. will re-  
ceive prompt attention.

**Paint Your Own  
Carriage**

You can do it yourself and at little expense. It's easy  
to give it a beautiful, hard, brilliant, varnish-gloss  
finish in black or rich appropriate colors.

**ACME QUALITY**  
CARRIAGE PAINT (Neal's)  
is made especially to give to buggies, carriages and  
vehicles of all kinds, a tough, durable, glossy finish that  
will look well and wear well. An ideal finish for settees,  
flower stands, porch furniture, garden  
tools and all surfaces that must with-  
stand exposure and hard usage. Ready  
to brush on and the label tells how.

**Case Furniture Company,**  
HEPPNER, OREGON

**Stray Hogs.**  
Five head of shoats weighing  
about 140 pounds each, and  
marked with crop off right ear,  
strayed from my place in Rood  
Canyon. Four of these hogs are  
white and one is black. Commu-  
nicate with me by phone.  
T. H. Williams.  
Repair work of all kinds done  
LEE CANTWELL.

**Spray Now.**  
Spray your apples and pears with  
arsenate of lead, 2 1/2 pounds to 50 gal-  
lons of water; use two bars yellow  
laundry soap and 1/2 pound concentrated  
lye. Spray before fruit gets larger  
than hazel nuts; spray again in three  
weeks, and spray from firts to tenth  
of July.  
HARRY CUMMINGS,  
Fruit Inspector.
