Floors Like New

Marred and worn floors are hard to clean and hard to keep clean. Half an hour's work with the paint brush changes your old shabby floors into new floors that are easy to keep clean and hard to wear out.

ACME QUALITY FLOOR PAINT (GRANITE)

is the best floor paint to use. It is made especially to be walked upon, is ready for use, easy to put on—you can do it yourself—and dries quickly. A quart will cover about 75 square feet, two coats.

Ask for a copy of our "Home Decorating" booklet. It tells you all about the use of paints, enamels, stains and finishes in the home.
