

"MAIL ORDER" Cream Separators

When you buy a cream separator you want the best machine you can get for the money, don't you?

Well, then, just listen to this proposition:
Before you order a "mail order" separator write to the concern and tell them that you want to try their machine out against a De Laval, with the privilege of sending their machine back if you decide that the De Laval is better worth what we ask you for it than their machine is worth what they ask.

That's absolutely fair, isn't it?
We'll be glad to furnish you a De Laval for such a trial any time you like and let you be the judge.

We are glad to make this offer because we know that the De Laval will give you better service and cost you less in the long run than any other machine you can buy, no matter what the price.

If you already have a mail order separator, or any other for that matter, which isn't giving satisfaction, we have an exchange offer that we believe will interest you.

Before you buy a Cream Separator see and try a **DE LAVAL**
