Pleasant Party.

The home of S. E. Van Vactor was the scene of a very jolly affair on last Tuesday evening when Miss Grace Van Vactor entertained in honor of several of the young people who have spent the summer in Heppner and those who will soon be leaving for various schools in the northwest.

The main feature of the evening was a track meet between Oregon and O. A. C. The events of the meet consisted of the hobble race, a cone blowing contest, the discus throw, and the relay. O. A. C. won the meet with a final score of 26 to 18. During this meet the rooting on both sides was intense and everything seemed very realistic. Later in the evening light refreshments were served. The hostess was assisted in serving by Miss Blanche Clausmeyer and Miss Ruth Van Vactor.

On Tuesday evening beginning at seven o'clock the Christian church will give a free for all social for the public. Light refreshments will be served and also a short program given. We don't care who you are or what you are we want you to come and everything we can do to make the evening pleasant for you will be done.
No charge, no offering; nothing but a pleasant evening for everybody. COME Remember TUESDAY EVENING SEPT. 16th.

Julia Walker Paroled.

Julia Walker, more commonly known around Heppner as "Red Wings," who was recently sentenced to the penitentiary for horse stealing has been paroled by Circuit Judge Phelps. According to the East Oregonian the judge has ordered her release from the county jail and she will be sent to her home in the John Day country. Judge Phelps is making out a list of conditions upon which her parole will be provisional. Among other things she will be required to report to the court once a month. A. S. Quant of Albee has been appointed her guardian.
This is the same Walker girl that made away with some fine silks, watch and other jewelry from Gong Lane of the Elkhorn restaurant some time ago. Lane recovered his property later.

List Your Rooms.

Residents of Heppner must come through and list with the secretary of the Fair Board, all the spare rooms they possibly have. They will be needed for the care of our visitors during the fair and the Board must know at once what they can depend on. A great crowd is anticipated, and they must be cared for. See the secretary at once.

Much Excitement Caused by Early Morning Fire.

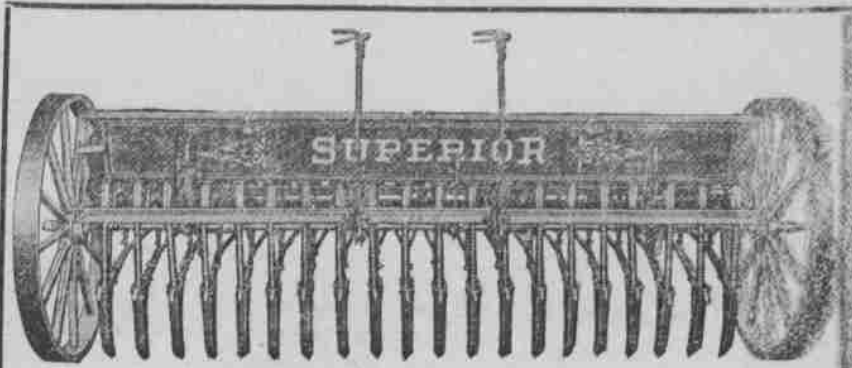

A small fire at the rear end of the H. O. Ashbaugh black smith shop early Tuesday morning was the cause of much alarm and excitement on the part of Heppner's slumbering populace. The fire probably originated from a coal which was dropped late the evening before by some of the mechanics who were setting a tire on a wagon wheel. There would have been a great amount of damage done had the fire been allowed its own way for a short time but our efficient fire department lost no time in getting control of the situation and a great loss of property was no doubt averted.
Everybody is exerting special care at the present time about fires. This is due to the fact that the water company is putting in its new pipes and fire protection is somewhat diminished since certain periods of the day the water is shut off entirely in some sections of the town.

On Tuesday evening beginning at seven o'clock the Christian church will give a free for all social for the public. Light refreshments will be served and also a short program given. We don't care who you are or what you are we want you to come and everything we can do to make the evening pleasant for you will be done.
No charge, no offering; nothing but a pleasant evening for everybody. COME Remember TUESDAY EVENING SEPT. 16th.

Ed Burgess, formerly with W. P. Scribner as head horse shoer has purchased half interest in the Thos. Brennen shop and hereafter the firm will be run under the head of Brennen and Burgess. Mr. Brennen has been in the blacksmith business in Heppner for many years and is well known all over this part of the country as a practical horse shoer. Neither does Mr. Burgess need any introduction to the people of this county, since he has been doing first class shoeing in Heppner for the past seven years. See their advertisement in this issue.

Among the people from Portland

who passed through this city Wednesday on their way to the Round-Up, was Thomas W. Lawson, author of "Frenzied Finance", whose home is near Boston, has just recently purchased some land in Crook county, Oregon.

FREQUENTLY we deprive ourselves of the good things of life simply because we do not know how easily they can be obtained. The only way to obtain the best in Heppner is to patronize the PALACE HOTEL, where you are always at home and welcome.

OUR reasons for soliciting YOUR trade is we have the BEST meals, the BEST rooms, the BEST building in hot and cold weather. A free buss to and from all trains, a large lobby in which to meet your friends, a large parlor facing Main street, that is well heated in cold weather for the wife and children. Paper and envelopes for the asking and a private booth for telephoning.

The BEST way to ascertain if the above are FACTS, is to give us a trial, and if not satisfied, your board and room will not cost you a cent.

WHY? Because we want your trade.
