**EASTERN OREGON
LOOKS GOOD**

Portland Woman Tells of
Recent Auto Trip Thru
This Section—Good
Roads and Bad.

Francis C. Jackson in last Sunday's Journal describes the trip by auto from Portland to Pendleton and return. The article is full of praise for the Eastern Oregon scenery and camping facilities and several good hotels were mentioned. An extract of the article reads as follows:

At Fossil a delightful little hotel, well kept and clean, will be found with a congenial host. Most of the places through Eastern Oregon where we stopped were endowed with clean, rest, well run inns. None of an elaborate nature, but comfortable; and the rates were exceptionally reasonable.

From Fossil to Condon the road was found to be in very fair condition. A short distance from Condon we entered Morrow county. The roads were only fair. The Alkali canyon after leaving Heppner in Umatilla county is steep, narrow and dangerous. It was through this canyon that most of the machines met trouble. There is no place to pass if a team or a machine from the opposite direction is met.

One redeeming feature, however, is that no matter how poor the roads, there was always material near at hand with which they could get through on their own power.

What is necessary through eastern Oregon is for the judges who have charge of the work to get out and go over these roads personally and find out first hand what is necessary to put them in condition so that the wheat and other ranch products may be hauled to market at a minimum cost to the rancher.

There is tar weed and sage brush that could be placed in the ruts, thereby saving them from damage until such time as permanent highway construction is authorized.

Another very annoying feature of the roads through Umatilla county were the high centers encountered. There is absolutely no excuse for these existing, as a pair of horses with a log drag could cut down and level off at least 15 or 20 miles of road daily.

It would pay the people in this section of the state to employ men for several months during the wheat hauling season to drag the roads and eliminate the rough spots. In this way a 100 per cent efficiency could be had, whereas they are now getting less than 20 per cent.

From Heppner to Echo and Stanfield, through Morrow county the roads were found to be in fair condition. The hotel at Stanfield was fine and the meals and bed were as good as any ever found on a touring trip. The road from Echo to Stanfield was not the best until the Meadows were reached.

The section through the Meadows was splendid. From Stanfield to Pendleton, by misdirection we went nine miles over a sand road that was a disgrace to any county. The roads through Umatilla county could be fixed at small cost that would save many thousands of dollars to the ranchers each year. The trip back was made by way of Pilot Rock, Heppner and Lexington. The roads for the greater part of this distance were in fair condition. From Lexington to Ione the roads are good. There is a delightful little hotel at Ione. The man who runs the house does his own cooking, and we found no better on the entire trip.

From Ione to Olex and Wasco the roads were bad until we hit Wasco county. Through Wasco county the best dirt roads ever encountered on a touring trip are to be found. Crossing the Deschutes over Miller's bridge noted for its picturesque and historical interests, we climbed the hill that overlooks the Columbia.

BACKACHE IS A WARNING.

Heppner People Should Not
Neglect Their Kidneys.

Backache is often nature's most frequent signal of weakened kidneys. To cure the pains and aches, to remove the lameness when it arises from weakened kidneys, you must reach the cause—the kidneys. If you have pain through the small of your back, urinary disorders, headaches, dizzy spells, or are nervous and depressed, start treating the kidneys with a tested kidney remedy.

Doan's Kidney Pills have been proved good and are especially for weak kidneys. Doan's have been used in kidney trouble for over 50 years. Read Heppner testimony.

Henry Howard, Heppner, Oregon, says: "For thirty years I suffered from rheumatic pains in my back and hips. Seeing Doan's Kidney Pills advertised, I was induced to try them. They gave me great relief. I only hope that my statement will be the means of leading other kidney sufferers to try Doan's Kidney Pills."
