If you want to save doctor bills, put fat on your ribs, muscles on your bones and grav matter in your head, use rye bread made from Heppner Milling Company's Rye Flour, which is made from the best of the Morrow County Rye. This is the sweetest and richest Rye Flour on the market. Try it and be convinced.

Owing to the fact that my family expect to leave for a better climate about the first of the year I will sacrifice my property in order to go with them as I have a good field open to me with a hospital in connection. I can sell my practice here to a good Osteopath but will not do so unless I can sell our other property.

If you are interested in owning a good home in Heppner you had better investigate. You can see the blue prints, plans and specifications of this unfinished home at the office of C. E. Woodson and learn of the price and terms.
