LEXINGTON ITEMS.

The work on Karl Beach's new home goes steadily on.

Walter Johnson and Joe Picketts are at work on the section again.

Mrs. Picketts was a Heppner visitor for a couple of days.

Frank Beymer and wife are guests at the hotel.

Mrs. Sadie Morey is in from the banana belt visiting friends in town for a week.

Mrs. Karl Beach has some little chicks already. We know where to go for some early spring fryers.

George Broadley was a passenger for Moscow, Idaho, the first of the week.

Miss Merle Carmichael who has been visiting at Medical Lake for the past six or eight weeks returned to her home Saturday evening.

Quite a few attended the speaking Friday night in regard to socialism. We believe a socialist convention was held next day. Mr. Copeland introduced the speaker of the evening.

The infant son of Mr. and Mrs. Pinky Butler is quite ill with brain fever. Dr. Chick in attendance. The little son of Mr. and Mrs. Doak was also quite sick this week and the doctor was called for him.

At the socialist convention on Saturday, W. R. Munkers was nominated for county treasurer and Dave Porter for Coroner. Both parties are prominent Lexington citizens and are qualified for the positions.

H. A. Van Winkle, B. O., pastor of the Christian church at Heppner, will give stump speeches, impersonations and all phases of elocution work. Two or three guitar numbers will be given. In one of these the player will swing and juggle the guitar. The above entertainment with the addition of five local selections will be given at the Artisan hall on Friday night, March 13, for the benefit of the Home Mission Society. During the entertainment, good candy will be sold through the audience. Admission 25 and 50 cents. Everybody invited.

IRRIGON.

C. L. Roadtruck and family came up Friday and are settled in the parsonage. Irrigon is still growing.

Jennings Davis is having a serious spell of sore throat, but seems to be improving some.

Little Fern Corey is again able to be around and her cheery face is good to see.

Our new road supervisor, Chas. Caldwell, began work with two teams and quite a force of men Monday morning on the road west of town.

The young ladies of Mr. Kicker's room took their lunch to the river Monday and were late getting back for the afternoon session so were asked to remain in during recess.

Miss Gertrude Johnson entertained the pupils of the primary school last Friday evening in honor of her younger sister's 9th birthday. The small people pronounced it a decided success and wish her many happy returns of the day.

Mr. F. H. Denson was in Irrigon a few days ago looking after his acreage here. He contemplates moving down this way if he can find something suitable. They are getting tired of so much snow, as they have about eight or nine months of it each year at Meacham.

Miss Evangeline Doble has taken up music and spends a couple of hours each school day practicing on the piano of one of the school patrons living near the school. She handles some very difficult pieces in a capable manner, and we predict a successful future for her.

Miss Francis Walpole and her brother were out riding last Saturday. Miss Francis is one of Irrigon's best musicians and we are sure of a treat when we see her coming our way, as she brings a roll of music with her and is always willing to play any of the music twice—as we are very greedy when it comes to good music.

GALLOWAY.

Every one is enjoying the sunshine these days.

Wm. Howard was a Heppner visitor Monday.

Boy Neill made a trip to Echo Monday.

Mrs. Frank Irwine is visiting her daughter in Pendleton.

Ed Neill made a business trip to Heppner Saturday.

Born—to Mr. and Mrs. A. E. Watterburger on Feb. 25, a son.

Mrs. Otis Hake is very ill at her home near Galloway.

E. P. Jarmon, who has been dangerously ill at his home is reported some better.

Frans Elliott and wife of Lena are visiting relatives and friends in this vicinity.

Mrs. W. E. Wigglesworth returned home Friday after spending some time in Pendleton.

Jake Pearson and son Howard passed through Galloway on their way home from Pendleton.

J. B. Coxen of Lexington passed through Galloway Sunday. We don't know where he was going, but think he was on the right road.

R. F. Wigglesworth went to Echo Saturday to meet his nephew who has come up from Portland to spend a few days.

We understand that there is going to be a party at Mrs. Zinn's ranch on Big Butter creek, March 7. Every body come.

T. D. Matthews and William Gillette and son passed through Galloway on their way from Heppner to Pendleton on Sunday.

The all night social dance at the Wigglesworth hall on February 28 was well attended. Those present report a splendid time. Echo, Lena, Portland, Pendleton and Virginia were represented.

Canada's Great Game.

Lacrosse is the national ball game of Canada. It came from the aboriginal red men, who doubtless played it for many centuries before the discovery of the new world. Different tribes played it in different ways, and it was usually very rough. The name was given to it by the French Canadians, who saw the resemblance between the curved netted stick used in playing it and a bishop's crozier or crosse.—New York Press.

Not a Contortionist.

A man complained to his doctor recently that every time he bent forward slightly and held out his arms horizontally, waving them around in a small circle, he felt a sharp pain in his left shoulder blade.

"Well," snorted the doctor, "why the dickens do you want to do such a contortion act?"

"How else is a man to put his overcoat on, doctor?"—Harper's Weekly.

OREGON

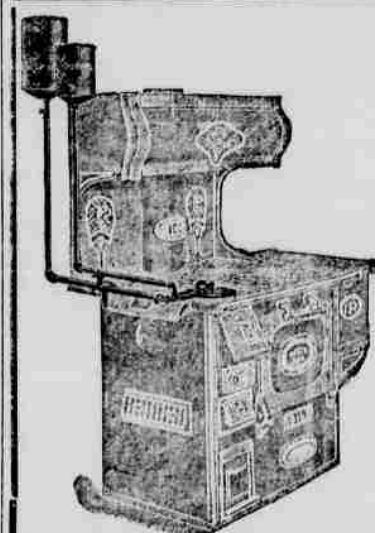

Sure death to Prairie Dogs if distributed early in the spring before the frost is out, and before the grass starts up. Hundreds of dog towns have been completely destroyed with the "Wood-lark" brand. Try it the first bright warm days this spring and be convinced. It's easily and quickly done. Don't wait till the grass begins to grow. They won't eat the poison then. Get a supply NOW and have it ready to use at the right time. The results will make your heart glad. But do it now. DESTROYS Gophers, Sage Rats, and Ground Squirrels of all kinds. A single kernel kills. Most economical poison made. Hundreds have been killed with the contents of a single can. USE EARLY when feed is scarce and before the young are born for best results. When you buy do not experiment. Ask for the "Wood-lark" Brand. It is the best. Money back if you're not satisfied. CLARKE, WOODWARD DRUG CO., PORTLAND, OREGON.

Spraying Material
